

ST GERMAIN FOR ANGLER TERRACE

Paris meets Provence on Angler Terrace this summer with our St Germain rooftop pop-up. Perfect for those seeking time out to savour life's unexpected pleasures.

St Germain is a unique and remarkable liqueur created courtesy of technological marvels such as hand-picking and bicycle transport. Using a combination of French savoir-faire and fresh elderflowers, hand-picked at their peak of aroma and flavour, St Germain is a celebration of the unique spirit of 1920s Paris... 'La vie Parisienne en Bouteille'.

Running throughout the summer, until 4 September.
