THE MACALLAN

The Macallan was one of the first distillers in Scotland to be legally licensed. Since then, they have built a reputation as one of the world's leading single-malt whiskies. The creation of The Macallan draws on the vital contributing influences of Spain, North America and Scotland - and of their respective natural raw materials, combined with fine traditional methods and craftsmanship.

Each and every Macallan single-malt whisky reveals their unrivalled commitment to the mastery of wood and spirit since 1824.

THE MACALLAN SPACE MASTERY

SPACE Mastery took inspiration from past whisky masters and the variety of different cask styles available to create layers of complexity with incredible depth of aroma, texture and flavour. Housed in a uniquely crafted circular vessel symbolising the circle of life and the ongoing journey from the past to the future, SPACE Mastery is a testament to The Macallan's enduring legacy of excellence.

Glenfiddich

Founded in Dufftown, Scotland, by William Grant and his family who had a vision to create 'the best dram in the valley', Glenfiddich first flowed from the stills on Christmas Day, 1887. The family's pioneering spirit has seen Glenfiddich excel for over a hundred and thirty years. Glenfiddich helped define the single-malt category as it exists today, and the brand is renowned for making some of Scotland's most luxurious whiskies.

Glenfiddich is the world's most-awarded single-malt scotch whisky, but its heart remains in the Highlands. The Robbie Dhu spring still flows through the distillery as it did when William Grant and his family built it. The granite stones still stand as strong as they did in 1887. The spirit is as inspired today as it was when it first flowed from the stills over a century ago.

SUSPENDED TIME 30YO

This stunning 30-years-old single-malt joins the Re-Imagination of Time series. Suspended Time focuses on the moment that the master distiller makes the decision that a whisky is ready for bottling, thus suspending its development and capturing it in the bottle at the perfect moment. This expression spent its time maturing in a combination of European and American oak.

THE BALVENIE®

Setting the standards for truly handcrafted single-malt scotch whisky since 1892, The Balvenie's nothing without the craftspeople who create it. Whether it's their farmers nurturing fields of homegrown barley, maltmen tossing that barley gracefully across a traditional malting floor, coppersmiths tending to mighty copper stills, or their coppers expertly preparing fine oak casks, The Balvenie's craftspeople preserve a way of working that's all but vanished from Scotland's distilleries entirely

Thanks in part to their effort, our Speyside home of Dufftown is still celebrated as "Whisky's Capital". As The Balvenie's Malt Master, it's Kelsey McKechnie's responsibility to assemble the work of these craftspeople into finished bottlings. Her own skill for nosing and flair for creativity aside, Kelsey's time spent apprenticing alongside Scotland's longest-serving Malt Master David Stewart MBE makes her the perfect guardian of The Balvenie's sweet, floral, honeyed house style.
