Aqua Shard Unveils its New Cocktail Menu Celebrating Iconic British Icons

June, 2023: Aqua Shard is excited to announce the launch of its new cocktail menu, featuring expertly crafted creations that celebrate some of the UK's most iconic figures in the creative world.

The British Icons Menu, created by Aqua Shard's new Bar Manager, Danilo Maniscalco, showcases his years of experience working in some of London's most respected bars including Donovan Bar at Brown's Hotel Rocco Forte and London Marriott Hotel Park Lane. Danilo specialises in creating cocktails with seasonal British products, using contemporary techniques and homemade infusions.

The British Icons Menu is divided into four categories: Music, Art, Fashion, and Film, with each category honouring the bold, innovative and daring individuals who shaped the UK's cultural landscape. From the trailblazing musicians who changed the sound of the world, to the visionary artists who redefined the boundaries of creativity. The menu is designed to provide a unique and unforgettable experience.

The classic sophistication of the David Bowie-inspired Space, combines pistachio-infused Johnnie Walker Black Label, malt cordial, dulce seaweed and sage liquor whilst the daring and distinctive flavours of the Banksy-inspired "Girl in the Glass" is created with Waqar Pisco, Beefeater Pink Gin, strawberries, lime and soda water. Each cocktail in the collection is expertly crafted and perfectly balanced to excite and delight the senses.

Also launching in June, Aqua Shard will host a resident DJ every Friday and Saturday, from 8:30pm to 12:30am, creating an unforgettable ambience as the talented DJ sets the mood and elevates the dining experience to new heights. So, whether you're a music lover, an art aficionado, a fashionista, or a film buff, Aqua Shard's *British Icons Menu* is the perfect way to pay homage to some of the UK's most celebrated icons.

About Aqua Shard

In July 2013, David Yeo, the founder of Aqua Restaurant Group, opened Aqua Shard bringing the essence of modern London with contemporary British cuisine to Level 31 of The Shard, Western Europe's tallest building. Aqua Shard serves lunch, afternoon tea, weekend brunch and dinner against a backdrop of stunning views of London and the river Thames.

The cuisine champions carefully selected producers from the British Isles, using exquisite produce in a seasonally changing menu. Spanning two wings, the 220-cover restaurant boasts a contemporary cosmopolitan interior with distinctly British touches. From sunrise to sunset, guests can enjoy the ever-changing views of the London skyline as well as the River Thames, stretching from the Houses of Parliament to St. Paul's, Tower Bridge and the City to the skyscrapers of Canary Wharf. Linking the two wings is a stunning atrium bar with three-storey high panoramic windows. The bar serves an extensive menu of seasonal cocktails from noon until late.
