SIGNATURE SERVE with FRANKLIN & SONS

BOTANIST with PINK GRAPEFRUIT TONIC WITH BERGAMOT - 16

A progressive exploration of the botanical heritage Isle of Islay, 22 hand-foraged local botanicals delicately augmented nine berries, barks, seeds and peels.

HENDRICK'S NEPTUNIA with CUCUMBER & ELDERFLOWER TONIC - 16

Magic of the sea expressed in a gin. Hints of kelp/saline add a seaside character to a bright citrus nose. Herbal and floral facets, including a hint of chamomile, lend Neptunia Gin a round and complex nose, with a hint of green juniper to balance things out.

MONKEY 47 with ROSEMARY & BLACK OLIVE TONIC WATER - 21

This gin is quite complex, with rich notes of vanilla and cinnamon. In the background, you can smell the distinct woodruff aroma. It evolves over time, and while it starts with a woody, floral aroma it ends with spicy vanilla notes.

NICHOLSON with PREMIUM INDIAN TONIC - 16

Nicholson Original London Dry is a liquid history. The smooth and crisp gin is distilled using Nicholson's proprietary recipe, first crafted in 1830. Ten botanicals combined to give complex layers of flavours with juniper, crisp citrus and sweet liquorice root to the fore.

NORDES with ORIGINAL MALLORCAN TONIC WATER - 16

A refreshing and aromatic flavour gin with herbal aroma. Notes of white fruit which is fresh, subtle and well balanced – the result being a gin with a truly unique flavour.

PLYMOUTH with PREMIUM INDIAN TONIC - 16

Since 1793 its unique recipe using seven botanicals is made to the highest standards in the same distillery in the very heart of the historical city of Plymouth. Rich in spirit, fresh in aroma, plus cardamom and coriander to spice things up

RIVINGTON with SICILIAN LEMON TONIC - 17

The first gin from Bordeaux Distilling Company – made with juniper, coriander and citrus peels. The palate offers notes of pine needles, vibrant orange and lemon zest.

SCAPEGRACE BLACK PREMIUM with PREMIUM INDIAN TONIC - 16

A maze with only one exit. Aronia Berry, saffron, pineapple, butterfly pea and sweet potato; blended in set amounts at precise temperatures in a defined sequence, to create something made of nothing, and nothing made of something.
