STAFF FAVOURITES

We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!

2019 Ribolla Gialla
'Botis', Stocco
Friuli Venezia Giulia 45

This wine is made from the best, carefully selected Ribolla Gialla grapes. Vibrant straw yellow in colour, this wine presents aromas with elegant floral and spicy notes that recall acacia blossoms and wild flowers. The mouthfeel is rounded, the palate is well developed with a balanced, dry finish.

2022 Vermentino
'Solo Sole', Poggio al Tesoro
Toscana 63

The translation of 'only sunshine' suits this medium bodied Vermentino from Bolgheri, where mediterranean herb aromas combine with seaside minerality and subtle stone fruit notes. Elegant but with great texture this is a great food wine but fresh and interesting enough to drink by itself.

2022 Riesling Kaiton
Kuenhof
Alto Adige 75

Complex nose with apricot, mango, and notes of acacia flowers. This Riesling is characterized by a clear structure with an intense mineral taste, with fruity and spicy aromas. There are some very clean fruity flavours here, predominantly lemon, lime, grapefruit and apricot. Very zingy and fresh. A good compromise between a German dry Riesling with lots of minerality the riper flavours of the new world style.

White Wines from Northern Italy

Encompassing the vast regions of Piemonte in the west to Friuli in the east, all of these whites benefit from the advantage of both cooling mountain influences and the warming effect of both coastal and inland waters.

STAFF FAVOURITES

We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!

2020 Syrah, Sant'Antimo

'Fabivs', Ciacci Piccolomini D'Aragona

Toscana

47.5

Fabivs was one of the first wines in Montalcino produced exclusively from Syrah. The bouquet is intense, complex and persistent with hints of blueberry, plum and cherry enriched by elegant spicy notes. Warm, soft, well balanced, persistent with round tannins. It expresses power, persistence and complex character.

2018 12 Uve

Paradiso di Frassina

Toscana

78

The 12 Uve wine is also called "Crazy Blend" and expresses its musicality in the biodiversity of its blend. A wine with extraordinary sensory powers that are almost impossible to define, the sensory elements of this wine show continuous change, suggesting scents of flowers, fruit, vegetables, and spices. Earthy aromas of scorched earth, black-skinned berry and a whiff of black olive lead the nose. A juicy savoury palate offers Marasca cherry, liquorice and vanilla alongside fine-grained tannins.

2017 Lessona

Proprietà Sperino

Lombardia

130

This is an incredibly balanced and elegant Burgundy-style Nebbiolo from an estate owned by Paolo di Marchi of Isole e Olena fame. The Lessona soils create softer tannins than those of the Barolo & Barbaresco. The wine is matured for 32 months in old oak casks allowing for full development of perfumed red fruits, violets and an undertone of meaty and earthy flavours.

Red Wines from Northern Italy

A variety of styles ranging from the elegant yet structured Nebbiolos in the north-west to rich and supple Amarones in the Veneto, whilst international varietals in the Friuli benefit from a freshness borne of the cooler climate. They all share a common juicy acidity that makes them perfect to accompany food.

Often neglected in favour of more fashionable regions, here local grape varieties and varied soil composition offer a real sense of terroir and rusticity. The heat of the south is combatted by clever planting at altitude, allowing the grapes to ripen and mature slowly. The wines balance concentration of flavour with a level of freshness to pair with a variety of food.
