Celebrations tailored to you as a couple...

Exclusive use of Pentillie Castle and the immediate gardens allows you the space and freedom to let your personalities shine, from a formal fine dining reception to a bohemian festival style celebration, we look forward to helping you create the wedding of your dreams.

Arrive by helicopter or boat? Style with feathers or flowers? Dance barefoot to a steel band or in stilettos to a silent disco? ~ the choice is yours!

There are an abundance of locations throughout the Castle and grounds, which are legally licensed for wedding ceremonies. Choose an indoor ceremony in the elegant interiors seating from 2 to 80 guests or the quaint charm of the Victorian Bathing Hut, seating up to 60 guests.

During the warmer months, you can marry in one of our outdoor settings, including the romantic wisteria-clad pavilion, the grand Castle loggia archway or one of the picturesque garden settings, seating up to 200 guests. You can be truly unique and say your 'I do's' at the Stone Circle or in the majestic Lime Avenue. If you have always imagined a church wedding, there are a number of beautiful churches locally.

“

We really wouldn't have changed a thing about our special day, and it will be a day that we will treasure forever. Thank you for your team's seamless efforts to make our day as great as it was. Your team really did go above and beyond with the little touches to make it so great. The venue was perfect and so many of our guests said it was the best wedding they ever attended. We will definitely be recommending Pentillie to our friends and hope to return some day.

Delicious Food at Pentillie

Create your very own menu...

Pentillie works closely with a selection of outstanding caterers who are constantly inspired by the quality and abundance of West Country produce and the changing seasons. They take great pride in creating delicious and beautifully presented food and are able to provide you with sample menus for inspiration. They will work with you to create your own bespoke menu.

Do you dream of dining formally with a Michelin star chef or a more relaxed celebration with charcuterie platters or grazing boards? You can even snack on wood-fired pizza or enjoy a picnic on the garden terraces.

Of course, we can also explore caterers that you know and trust. As you might expect, it is essential that they undergo necessary supplier checks and a detailed induction to ensure that they are fully familiar with all of the facilities and requirements of such a momentous occasion. We will happily discuss this in more detail with you, as required.

“

From start to finish, we had superb service and communication from all at Pentillie. They enabled us to have our dream wedding with every detail thought of and covered, nothing was too much effort and the day ran perfectly without a hitch. If you are thinking of having your wedding or event at Pentillie, you will not be disappointed and will be in safe hands for the whole process

We had a perfect day, and extended weekend with close family and friends. The house itself is beautifully restored and the extensive grounds will take you more than a weekend to explore. The bravest amongst us even managed a dip in the Tamar. So many special memories for our wedding. We hope to be back one day!
