“The day went better than expected, as you will appreciate anticipation and expectations for the day are not met till the day of the venue.

Well our day was exceptional in all respects from the venue access being the night before and day afterwards. The venue is yours all day.

The Events Team run by our wedding planner were all outstanding in meeting all our expectations and all of our guests who have done nothing but complement the venue and the day.

Food was outstanding, silver service outstanding all just outstanding & great value”. *Kim & Vince*

“I want to thank you for the care and attention you personally gave to ourselves, the wedding and our families. Your sunny, bubbly personality put us all at ease, nothing was too much trouble and you went above and beyond for our wedding.

The wedding was incredible, it was all the little things, like the card and Mr & Mrs Gonks left for us, my girls, my mother and I loved the Bridal Suite for getting ready in, you got my grandmother a blanket and offered her a hot drink because she was cold, dealing with our music, liaising with photographers and ensuring all the turn around points went smoothly”. *Helen & Matt*
