W E D D I N G S

## Welcome to the Bridge Hotel & Spa

The Bridge offers one of the finest venues for atmosphere, food, wine and service in the area and with our wealth of experience and expertise, every couple can be confident their special day will be just perfect.

If you are searching for the ideal wedding venue in Yorkshire, The Bridge offers an elegant environment which makes the ideal wedding venue in Yorkshire for a graceful and romantic wedding reception.

Weddings at The Bridge are a special occasion and planned just for you, we help to plan your dream wedding reception at The Bridge.

## Say 'I Do'

We offer Civil Marriage Ceremonies in all our function rooms and are now delighted to include the option of The Gazebo which is a beautiful additional feature and is one of the few outdoor wedding venues in Yorkshire.

The Bridge is, without doubt among the very best wedding Venues in Yorkshire. Its unique rooms, exquisite food and picturesque surroundings make The Bridge the perfect wedding venue in Yorkshire for your big day. The Bridge is located in the pretty village of Walshford in the stunning North Yorkshire countryside, just a few minutes' drive from the A1, A59 and other major roads, in the centre of Yorkshire's 'Golden Triangle' of Leeds, York and Harrogate.

## The Gazebo

The Gazebo can be beautifully dressed with flowers to match your colour scheme. Licensed for civil marriages and civil partnerships and giving you the option of enjoying a romantic ceremony outside in the beautiful English countryside.

It is the perfect venue for either an intimate or larger outdoor ceremony. Seating for up to 150 guests. Don't let the British weather stand in your way. An indoor ceremony room will also be reserved.

# Stunning Function Suites

The Bridge has three stunning function suites to choose from depending on the number of your guests and whether you prefer contemporary, classic or historic décor.

## The Walshford Suite

The adjoining bar area can be used as a reception room and a private bar for your guests. The French windows can be opened onto our Italian Courtyard, a lovely setting for your wedding photographs and a place where your guests can mingle before the meal.

## The Byron Room

The hidden treasure of The Bridge. The Byron Room is an enchanting room boasting one of the finest examples of 18th century rococo plasterwork in the north of England.

## The Ribston Suite

Is located on the ground floor with superb levels of natural light having the benefit of full-length French windows along one side of the room leading out onto the new south-facing terrace.

## Memorable Menus

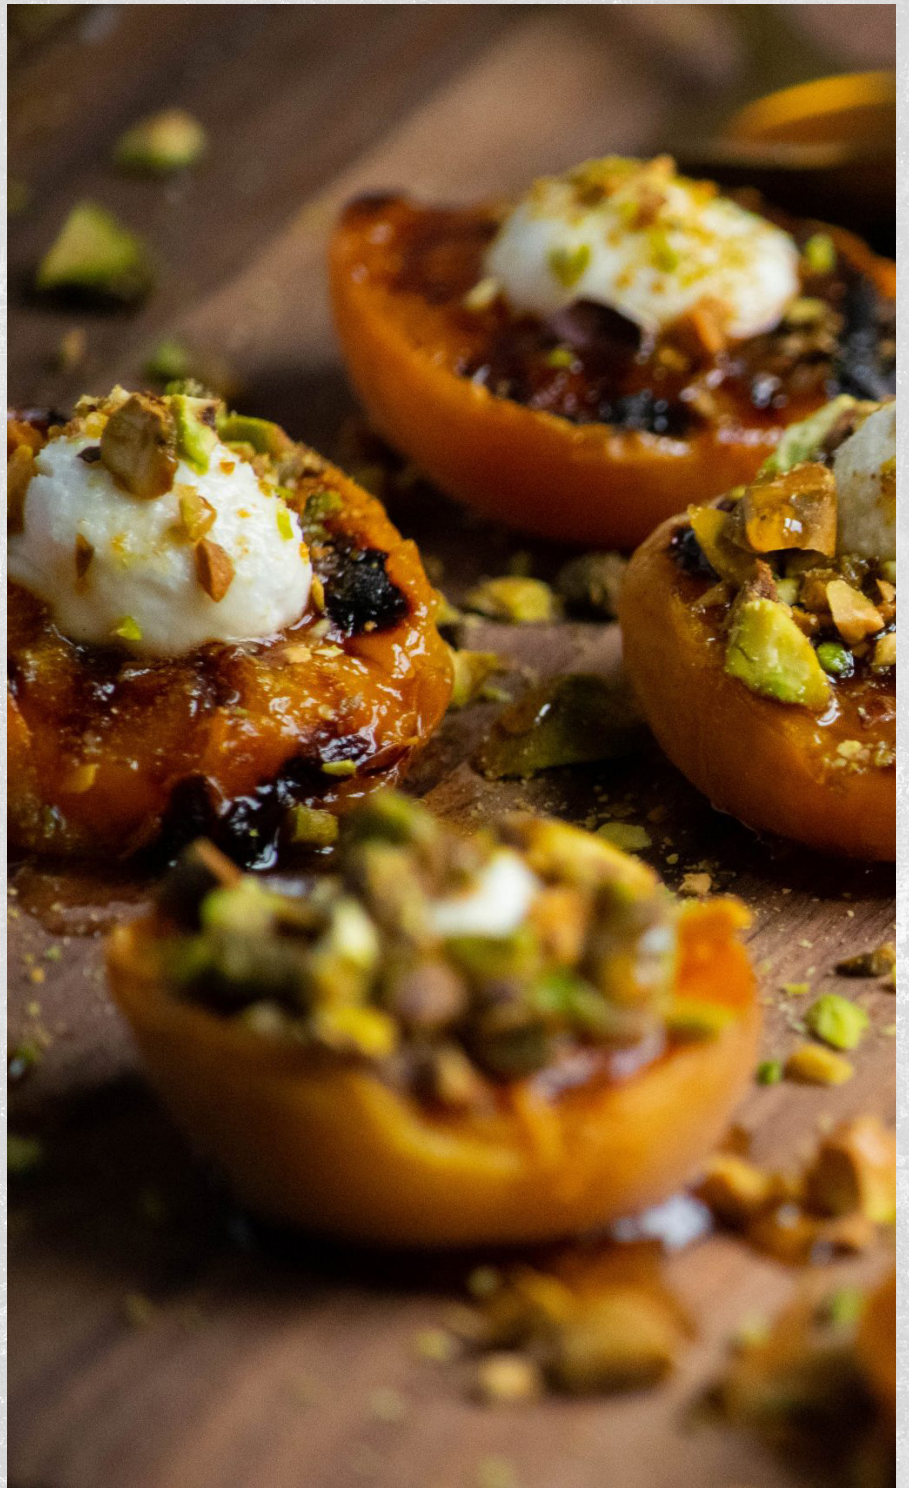

Memorable menus, locally sourced to enhance your big day.

At The Bridge Hotel & Spa, we like to make things simple so all of our Wedding Breakfast Menu prices include a starter, main course, dessert and coffee with chocolates.

You can choose from one of our traditional sit down menus, private carvery, or barbecue on the terrace.

To continue your wedding celebrations well into the night, we can serve up anything from a buffet, hog roast or evening supper.

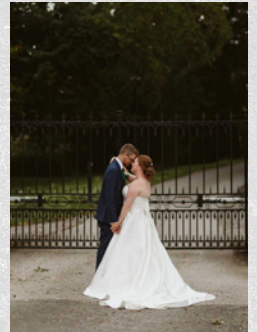

## And So... To Bed

The Bridge Hotel has 37 individual bedrooms each offering comfortable accommodation to a high standard. There are a mixture of standard rooms and club rooms offering unique style, décor and vibrant colour schemes.

Once you have confirmed your booking, we are pleased to allocate a mix of standard and club rooms for your guests at a discounted rate along with a complimentary Bridal Suite.

PHOTOGRAPHY

Timeless, Beautiful, Unobtrusive Wedding Photography

We are honoured to be recommended by The Bridge Hotel & Spa at Wetherby as their preferred Bridge Inn wedding photographer. It's absolutely no surprise that this is a popular Leeds wedding venue. The service, gardens and food are all first class and there are lots of places for wonderful photographs both in the grounds and around the small village of Walshford.

One of our particular favourite places is another small little courtyard near the Spa, it makes for some great intimate photographs of you both. And, if you have booked our services for all day, the field at rear of the hotel provides one of the best sunsets available.
