

WEDDINGS AT LE CAFÉ DU MARCHÉ

Thank you for your enquiry into holding your wedding reception at Le Café du Marche.

We are an independent French restaurant located on the corner of the historic Charterhouse Square. Established in 1986, we are housed in a converted warehouse tucked down the end of a cobbled mews.

HIRE OPTIONS

LE GRENIER (First floor dining room)

Seats up to 50 maximum. Best suited for groups 25-40 if you would like space for drinks reception by the bar.

This room is accessed by a spiral staircase and has its own bar, open kitchen and customer lavatories.

Background music can be played or low volume bands.

WHOLE RESTAURANT EXCLUSIVELY

Comprising of Le Grenier and ground floor main dining room and bar (Le Rendezvous)

Since the restaurant is made up of three areas, it is best you arrange to visit to see if it suits your requirements.

Up to 70 people can be accommodated across the ground floor; main dining room (45) and adjacent bar (25) have large opening between themselves.

We recommend that the ground floor dining room is used as a space for dancing should you wish to have a band or DJ. In this instance the room would be cleared of tables and chairs whilst guests vacate to another area of the restaurant.

Menus can be tailored to suit requirements. For smaller groups, a choice of up to three options per course can be offered on a pre ordered basis. We would need name place cards with guests' options indicated on them. For larger groups in excess of 60 people, we will kindly require you to choose a set menu of one choice (plus any dietary requirements catered for).

We have canape and small bowl food menus available along with our three-course set menu.

Wedding cakes can be made in house with prior agreement

DRINKS

Typically we would ask you to choose one red and one white wine to be served during the meal. Other drinks to be offered pre and post meal can be discussed when planning your event. We charge per bottle opened.

DECORATIONS

We provide white linen and candles for the tables. All decorations and flowers are to be arranged separately.

MUSIC

DJs and bands are permitted when the whole venue is hired out exclusively

We have resident Jazz musicians we can put you in touch with.

A minimum spend applies which is inclusive of food and drink. VAT is included in the price. A discretionary 15% service charge is added to the final bill.

For Le Grenier: £5,000

For the whole venue: £10,000

Minimum spends are based on an arrival time of 5pm and our licence ends at midnight which is when we close the restaurant (last orders at the bar at 11.30pm).

We do not charge venue or room hire fees but a shortfall in the minimum spend would be made up with corkage.

A 500£ deposit is required ahead of the reception with the balance paid after the event.

Should you cancel within two weeks of the booking, this is non-refundable.

Food costs are charged on numbers confirmed 48 hours prior to the booking.

We are able to host the reception only, we are not a licenced venue for ceremonies.
