The Grand Salon features breathtaking views across the scenic moat onto the flourishing parklands, and a grand 16th-century French Caen stone fireplace, making for a stunning backdrop to your celebrations.

After the toasts, laughs and happy tears, you will head to the opulent 1930s Drawing Rooms, before continuing the wedding festivities with dancing the night away in the Castle's celebrations room. As the party slows down and carriages arrive for guests, retire to your luxurious Castle bedroom.

LEEDS CASTLE'S GLAMOROUS HISTORY

Leeds Castle is steeped in over 900 years of glamorous history, filled with strong and visionary women.

The Castle was owned by a succession of six medieval queens, and then passed onto Tudor queen, Katherine of Aragon. It was later owned by several aristocratic families, until finding our last private owner, Lady Baillie. After acquiring the Castle in 1926 she embarked on a complete refurbishment, working with the finest French architects and designers of the day to create an elegant country house residence.

Lady Baillie left the Castle to the Leeds Castle Foundation, a private not-for-profit charitable trust whose aim is to preserve the Castle and its estate forever, for the benefit of the public.

Now you can glide into the 1930s and enter the private world of Olive, Lady Baillie. Discover fully immersive exhibitions inside the Castle that uncover hidden stories and previously unheard voices, giving fresh insights into life at Leeds Castle during this period.
