Where Wedding Stories Begin...

“When I saw you, I fell in love, and you smiled because you knew.”

- William Shakespeare

A Celebration of Love

Beautiful moments deserve beautiful backdrops. The space where you exchange your vows, or listen to that once-in-a-lifetime speech, or dance your very first dance as a married couple, is a space that will live in your memory for the rest of your life.

Whether you imagine it as intimate or grand, traditional or surprising, The Lansdowne Club is the perfect place to celebrate a new beginning.

An 18th-Century Treasure in the Heart of Mayfair

The Lansdowne Club, one of London's most exclusive private members' clubs, is a magical setting for a fairy tale wedding. Steeped in history, with its impressive neoclassical architecture and elegant interiors, it is hard to imagine a more enchanting venue for an unforgettable day.

Over the course of almost three hundred years, The Lansdowne Club has been the backdrop for many of London's most special occasions and memorable moments.

The house was originally built in 1763, and over the centuries it has played host to key historical moments and countless distinguished characters who have raised their glasses underneath its roof. Generations of families have returned again and again to mark their most important days.

Now it is your time to shine.

A Spectacular Setting for an Unforgettable Day

Saying 'I do' to the one you love in a beautiful setting makes that precious moment even more special. Your dream wedding may be an intimate, candlelit dinner for just a few of your very favourite people. It may be an opulent ball where you are surrounded by everyone you know and love. It might be something in between.

Whatever you are planning, it would be our great joy and privilege to help you bring that dream to life. We know that every moment of this day is precious, so we ensure that each one is as perfect as can be. Every member of our Staff is devoted to ensuring that you and your guests have the best day imaginable.
