Sunset Weddings

at the Roman Baths 2023

The award-winning Roman Baths is one of the country's most atmospheric venues and an extraordinary location for a wedding.

Exchanging vows alongside the torch-lit thermal waters, drinks with loved ones on the ancient Roman paving and celebrations on the Terrace or in the Pump Room will make your evening unforgettable.

Your ceremony alongside the Great Bath will begin at 7.30pm and, while in the open air, you will be under cover, protected from any inclement weather. The ceremony can be followed with drinks and photographs before you and your party enjoy your reception in one of our stunning, historic rooms upstairs.

Our contracted caterer, Searcys, will provide all food and drink for the evening. With their delicious and flexible menus, they can cater to a variety of tastes and budgets, from fantastic contemporary bowl food to a seated three course dinner.

From 40-160 people

Terms and conditions: Prices are for weddings taking place in 2023. 15% discount on venue hire in January and February. The prices stated above are for venue hire of the Roman Baths for a ceremony and the hire of the Terrace and Reception Hall for a reception until midnight. Celebrations can be extended until 1am for an additional fee. We cannot offer Sunset Weddings from the 22nd July through to the 31st August as the museum is open late to the public. Please inform Searcys of any allergies or dietary requirements.

CATERING PACKAGES

The following is Searcys' Style package at £90 (incl. VAT) per head:

- Prosecco reception with a selection of cocktail bites (one glass plus top up)
- Three course seated Wedding Breakfast with coffee and handmade chocolates (one set menu)
