THE MUSEUM

The Fusilier Museum, is a unique wedding venue in a beautiful Grade II listed building with stunning original features and a range of traditional and modern spaces for your big day.

We can cater for small intimate weddings or larger parties. You can choose from a range of flexible wedding packages or create your own bespoke event.

We work with a carefully selected list of preferred suppliers who can help you plan your perfect day.

THE SPACES

The Minden Suite is a contemporary space which can accommodate up to 100 for a civil ceremony and wedding breakfast. The same space can also be transformed at night for your evening reception for up to 200 guests.

For more intimate ceremonies, the Gallipoli room which dates back to the Victorian times includes mahogany panelled walls, a feature fireplace and chandeliers, providing the perfect setting for up to 50 guests.

We have lots of unique locations for photographs both inside and outside the museum. The sweeping staircase looks amazing on those all-important group shots and the Gallipoli garden provides a lovely setting in the changing seasons.

SOME LOVELY WORDS...

from our brides and grooms

"We cannot thank the team at The Fusilier Museum enough for making our wedding day one of the best days of our lives. The venue itself was amazing and all our guests were pleasantly surprised how wonderful it was. From entering this beautiful venue up the stoned, red carpeted stairs, to being allowed access to the museum, our guests were overwhelmed with the place.

A big, big thank you for such a fantastic day."

Janet & Howard Morgan

"We chose this venue as we wanted somewhere different, yet still local to where we both lived and grew up. We were both amazed by how beautiful it was when we first visited, lots of original features and character that would add to our day and make some beautiful pictures. The interior staircase is what really drew us in with the newly installed stained glass windows, we knew this was for us."

Victoria & Kevin Hothersall

"The Minden Suite is beautiful, like a blank canvas! Even between the rooms, the hallways were beautiful, we had lots of photos in front of the stained glass windows and they came out amazing. I would highly recommend anyone to have their reception at the Fusilier Museum, it has a very special place in our hearts now. Thank you so much! You have no idea how much we appreciate everything you did to make our wedding day so special and stress free!"
