

APTON HALL
WEDDING & EVENTS VENUE

Apton Hall is a unique and exclusive wedding & events venue set in the idyllic Essex countryside. The rustic charm throughout our courtyard buildings, accommodation and Grade II listed Dovecot Suite, creates the perfect blend of historical features with a modern design, creating the perfect space for your special occasion...

Apton Hall

Upon visiting Apton Hall, you will hopefully see that it's something pretty special. Boasting original brickwork and lovingly restored farm buildings, our venue really is one of a kind with a feel like no other. Designed in a horse-shoe shape around our picturesque Courtyard, Apton Hall flows perfectly by starting on one side of the venue and working your way around throughout the day.

With beautiful views of the Essex countryside everywhere you look, there is no shortage of spaces to escape to for breath-taking photo opportunities. Whether it's the Pond Garden with the water as your backdrop, the Walled Garden for some privacy, or the farmland that surrounds the venue, the choice is yours.

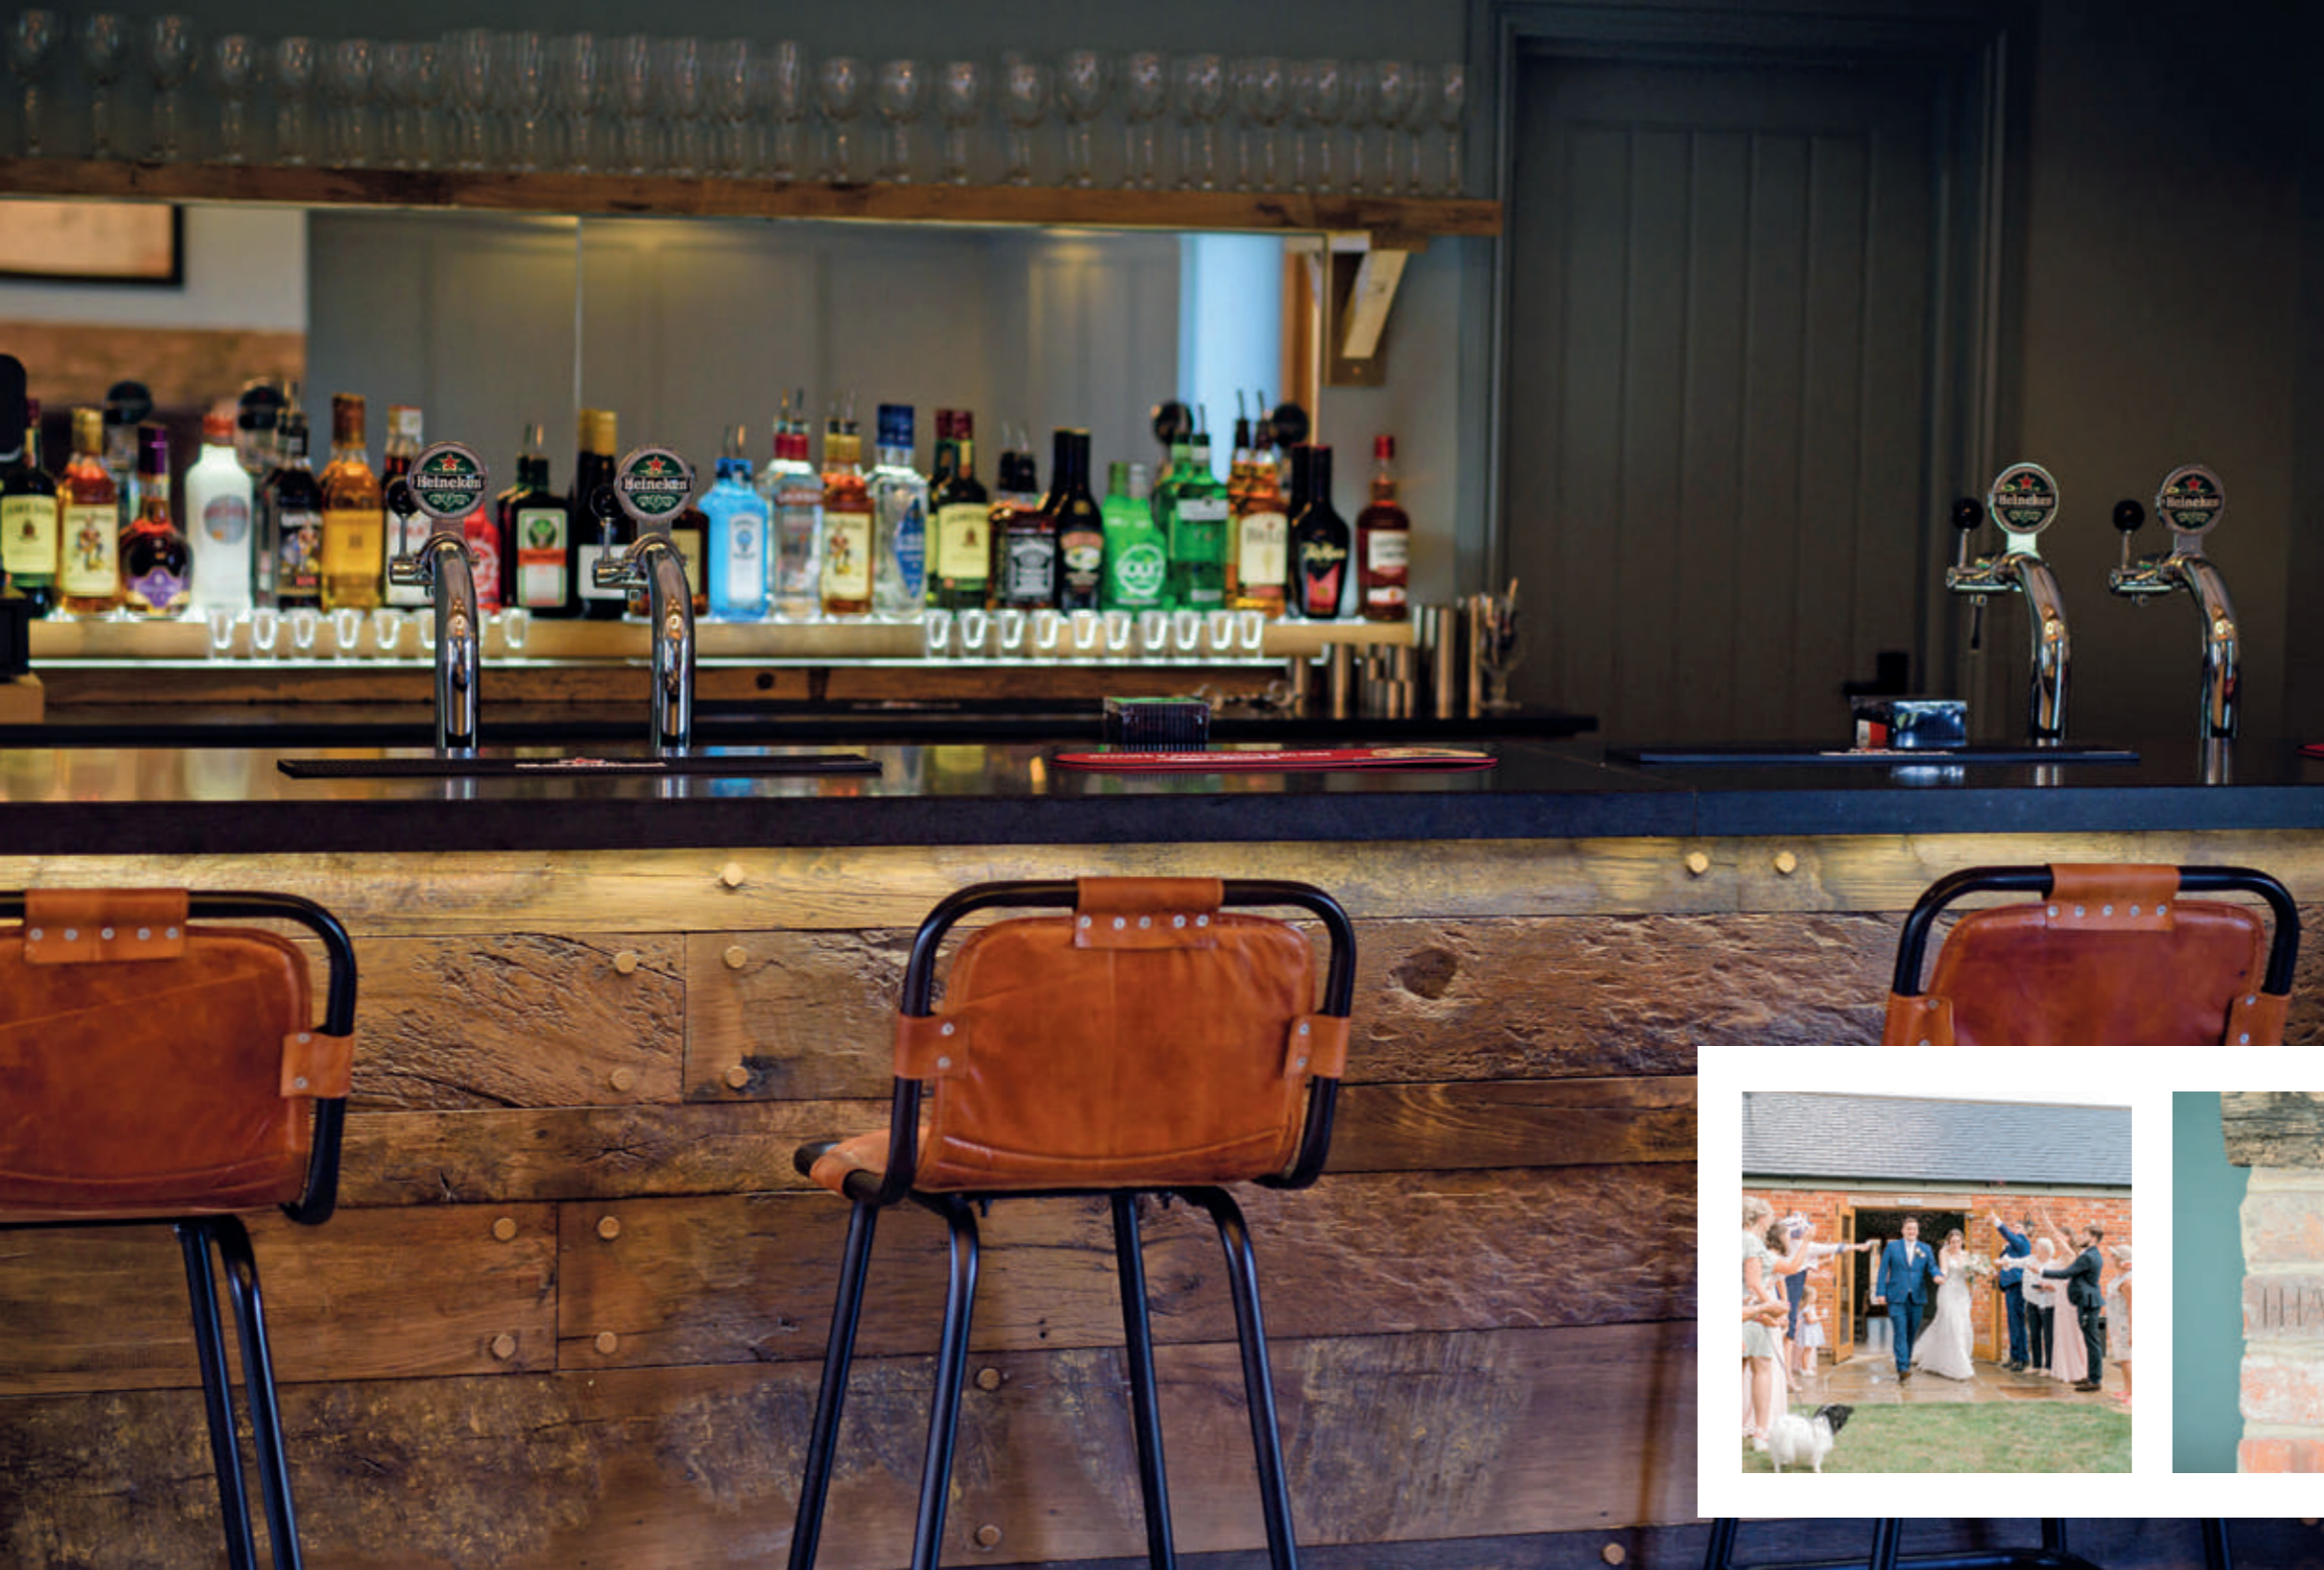

The Stables & Courtyard

Our original stables have been transformed into a stunning room with high ceilings, exposed brick and wrought-iron chandeliers creating the perfect backdrop to your wedding ceremony. With working stable doors and full length glass windows, this light and airy indoor ceremony room fits up to 115 people. The underfloor heating also keeps it cosy in the winter months meaning it really is a room for all seasons.

If you're dreaming of an outdoor ceremony, then our handcrafted Gazebo in the centre of our Courtyard would be the perfect place to declare your wedding vows. Alternatively, it's a great focal point for live music during your reception drinks.

Snug Bar & Pond Garden

The Snug Bar is the true hub of the venue and is the first area that your guests go to prior to your ceremony.

With historical touches in the brickwork and a beautiful fireplace with log burner, this chill-out area with cosy cushions is a big hit with all those who want to prop themselves up near to a bar.

The glass double doors then lead out to our secluded Pond Garden, with rolling views of the fields behind and the sound of the water. This makes an idyllic area for your reception drinks and delicious canapés.

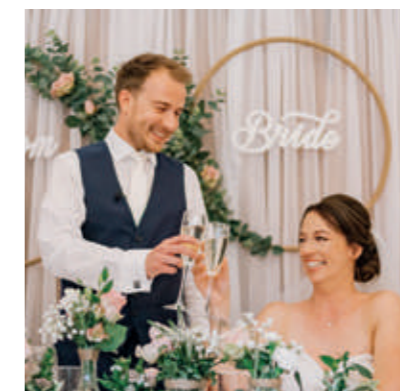

New Barn

The New Barn is the newest addition to Apton Hall's courtyard buildings. It also features our wishing well, found when renovating the barn in 2016. Creating the most beautiful setting for your wedding breakfast, our glass bi-folding doors run along one entire side of the room, they can be opened out on to the Courtyard for those hotter summer months and let in plenty of light during the winter months.

With touches of brickwork and natural light in abundance, no amount of decor is right or wrong. Keep it simple with just foliage or splash out for the brighter floral centrepieces, whatever your theme and style, it fits this beautiful room.

For larger guest numbers, we even have an extension that doubles the size of the room to accommodate 200 covers. The extension has another beautiful full length glass wall and boasts views of the Coach House and Walled Garden.

Food & Beverage

Our exceptional in-house team curate exquisite menus for weddings, using the freshest of ingredients, sourced locally.

Our Head Chef, Craig Tomlin has spent his career climbing through the ranks of the kitchen staff hierarchy. In 2013, Craig took some time out of the kitchen to travel and explore new cuisines. Coming back to the UK he was inspired by some of the new flavours and ideas he had experienced first hand, which only diversified his food further. Fast forward a few years and we are thrilled to have Craig at the pinnacle of our team where he is an integral part of the ongoing success of weddings and events at Apton Hall.

We offer extensive menu options for your big day, from a seated wedding breakfast to a more casual BBQ option. You are able to create your own menu for your guests, offering choices for each course. We simply adore great food, which can tell so many stories. Let your wedding breakfast tell yours.

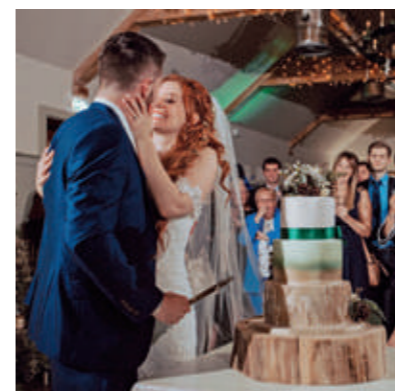

Cowshed

Originally the farm's cowshed, this large area is now a beautifully decorated, fully air-conditioned evening reception room.

With the lights dimmed and the dance floor full, this area is host to our larger main bar which is open throughout the evening and where the party really starts.

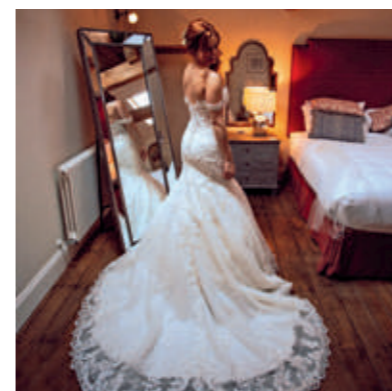

Whether it's a DJ or live music you choose for your entertainment, the high ceilings, wooden beams and fairy lights give a spacious feel and invites everybody to dance the night away.

Dovecot

Our beautiful Dovecot is the perfect place to finish off your mornings preparations ready for your ceremony. With room for your closest wedding party to share the excitement with you as your guests arrive, it's one of our most adored courtyard buildings at the venue. Not only do you start your day here, but you finish the day as Newlyweds in the luxurious bedroom, that's just a stones throw from the dance floor at the end of the night.

This discrete and spectacular space was specifically designed to enhance the magnificent features of exposed oak beams and vaulted ceiling over the bedroom. The room, featuring a super king bed with bespoke embroidered cushions, chaise longue at the foot of the bed and adjacent roll-top bath, offers the ultimate romantic night away. The biggest and most beautiful suite on site, is spread across two floors boasting a separate cosy sitting room and large bathroom with walk-in shower.

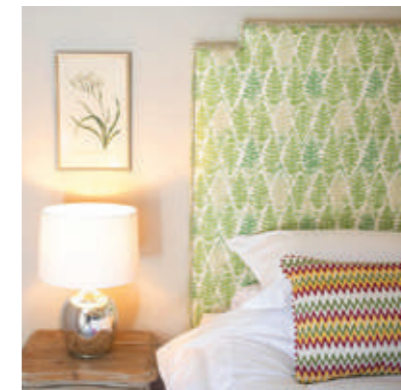

The Coach House

Apton Hall features seven luxurious guest rooms in different contemporary styles, each designed to create a place to relax and unwind. Each room is decorated and furnished to the highest possible standard, named after surrounding fields at Apton Hall Farm. All bedrooms include fluffy white towels and a range of natural botanical toiletries made with essential oils.

Overnight stay includes a Full English & Continental Breakfast served in our spacious Grade II listed Granary, boasting traditional features such as exposed beams and wooden floors.

It is the ideal place for newlywed couples and guests to meet for breakfast the morning after your wedding day.

This relaxed environment means guests can refuel before they head home from Apton Hall.

Apton Hall is the perfect place for your wedding. The staff go above and beyond without being at all intrusive, they are in regular contact with suggestions for suppliers and anything else you ask them. The location is peaceful and beautiful with many great photo spots. The food is superb from canapés to wedding breakfast, and the accommodation available is head and shoulders above the local competition for both rooms and breakfast. To me this was the perfect venue for a perfect day.

Apton Hall were truly amazing! We wanted a unique modern-look barn for our fresh, white, country wedding and Apton was exactly what we were looking for. The outside gazebo, the amazing grounds, the professional staff, the incredible food - we literally cannot fault them anywhere. Craig, Lauren & the team did everything we wanted and even went above and beyond to meet our every need! We will be recommending Apton Hall to everyone! Thank you!

Laura-Jane & Scott Brown

Our wedding day at Apton Hall was absolutely faultless, the planning leading up to the day the coordinators were amazing and so responsive to emails and questions. Being able to create our own wedding breakfast menu from scratch and picking things that weren't on the guide menus and then Craig creating them for us was just perfection, the food was absolutely stunning and we had so many compliments on it. The grounds are beautiful, accommodation is perfect, staff are amazing and the food is stunning.

Katie & Tom Jee

I would like to say how pleased my husband and I were with our wedding day. The standard of staff at Apton Hall are above amazing and made us feel very comfortable. Prior to our Wedding Day, meeting with Lauren, she filled us with great confidence that our day would be perfect and it was. All our guests commented on the food and how nice it was along with the canapés and buffet during the night. Thank you to Lauren and the team at Apton Hall for giving us a day to remember forever.
