Visit Our Rooms

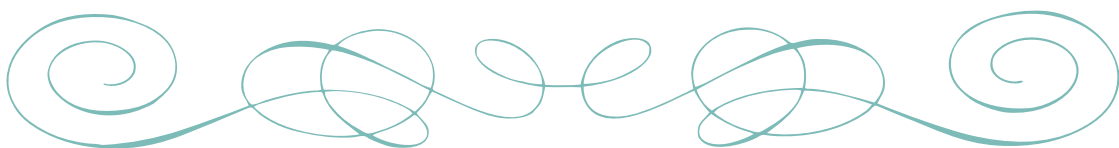

We are fortunate to have several spaces licensed for civil ceremonies allowing you to choose from 2 beautiful garden areas, the charm of the Winter Garden with its display of exotic plants, or, for larger numbers, either the grandeur of the Drawing Room or the Carriage Barn.

We have a beautifully spacious Dressing Room available for you to prepare for your special day with en suite bathroom and unbeatable views across the estate.

Following the ceremony your guests can spill out on to the South Terrace with its amazing views for drinks and canapes, lawn games and meanderings around our lovely gardens.

The wedding breakfast can be held in any one or more of our 3 interconnecting reception rooms in the castle or in the Carriage Barn. For a smaller number the Winter Garden makes an ideal choice enabling up to 30 to be seated at one long table. For the larger occasion, the castle or barn are an excellent choice with round tables draped in long crisp cloths and set with glistening crystal accommodating up to 104 guests.

For numbers over 104, you can arrange to place a marquee on our South Lawn for the wedding breakfast whilst the evening entertainment will continue to take place in the castle.

Bride and Groom, Pavan and Ian.

As you know, from the first moment that I visited the Castle back in October, I immediately fell in love with it and on the day it looked absolutely stunning – I know it is a cliché but it really was our perfect day and we would not have changed a single thing. All of our guests commented on how beautiful the Castle and gardens were and everything as you suggested went perfectly and with no issues at all, to the quick move indoors when the rain arrived to our tables, flowers and the décor. I wanted to personally thank you also for being there throughout the whole process and answering all our questions and even those last minute panics I had, putting them all at rest, and helping me just before I went into the room. All of our recommendations, from the music to our wedding stationary were absolutely perfect and thank you for also making sure that Ian and I managed to get those precious moments alone too. The whole day went perfectly and neither of us can find any faults with anything. All of the staff on the day were brilliant, nothing was too much for them to do - you all did such an excellent job and it was the perfect place for us to start our new lives together!

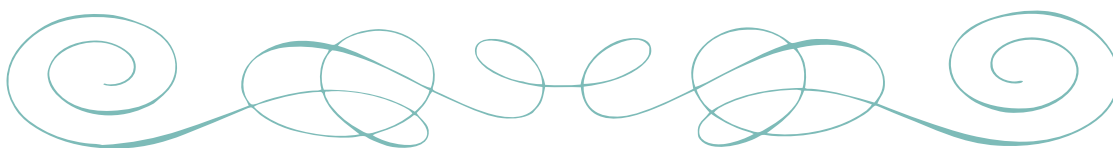

Bride, Katrina

Firstly, a huge thank you to the entire team for helping to make our day so utterly perfect on Saturday! The amount of compliments we got on the venue was staggering - but they were right, there is no place like it. A particular thanks for the seamless way in which a mini crisis was dealt with. You are all miracle workers!

Parents of the Bride, Kim and Christine

My husband and I would like to thank yourself and Fiona for all your expertise and help on our daughter's wedding day. We all agree we had the most wonderful day..... everything went so smoothly and even the sun shone for us enabling the ceremony to take place in the walled garden which was Amy's wish. Your help with all the finer details.....positioning of flowers on lapels, order of entrance into walled garden, setting out all the accessories and so much more was greatly appreciated. From the day we first viewed Wadhurst Castle we knew it was right for us and so perfect in every way.....the Castle itself has an amazing warm and homely feel and the views and gardens are stunning!

We have had so many compliments about our special day from family and friends and are still chatting about the events of the day and enjoying the treasured memories and photographs. We really appreciate all the hard work that goes on behind the scenes to make such an event so successful. One day we hope to return to the Castle for someone else's 'Special day' and see you both again but until then to you and Fiona a great big.... 'THANK YOU'

Bride and Groom, Michelle and Kasumbo.

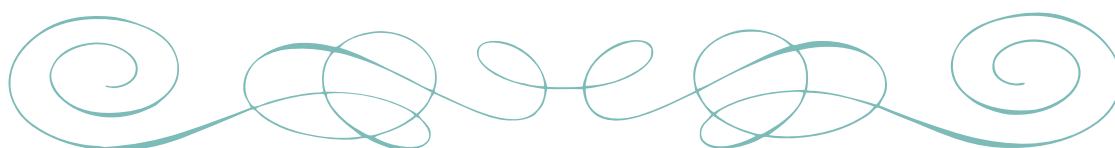

We had a fairy tale wedding at Wadhurst Castle. We literally could not have asked for more. From the initial visit we knew it was the right venue for us as it is so intimate but not too small. It has a genuine castle feel without the huge hollowness of those really large castles but more with an atmosphere of class, coziness and the potential to make it your very own for the day. The grounds absolutely captivated us from the word go. It's the classic English country garden, with so many little areas and corners where flowers are beautifully displayed. Above all, the venue manager Susan was at the core of it all and she was spectacular in the way she helped to bring all our plans together. On the day she was amazing and there is no way we would have had such a perfect day if she was not there coordinating everything in such a friendly and calm manner. We had our wedding outside in the walled garden with the capri tent. It was magical.... not to mention the reception, the meal and then the party later that evening which were perfect in every way. I don't think we could have matched this event in a hotel set up as it just felt so private and almost like it was our castle for the day. The party was awesome and no-one wanted to go home at the end of the night. We were receiving texts and comments for weeks after saying what a fab time people had. We will be forever grateful for such a dream wedding and could not rate the staff and management at the castle more highly.

Bride, Lauren.

We just wanted to share a very large thank you for help to make our wedding such a special day at Wadhurst Castle. You literally managed everything seamlessly and were a fountain of enthusiasm for our whole day. It was faultless and we couldn't have had such a amazing day without you. A real thanks! We enjoyed every moment and now wish we could do it all over!!

Bride and Groom, Alice and Chris.

We wanted to say a sincere and heartfelt thank you for Saturday. I'm sure every bride and groom say it but it's a day we'll never forget. Everything in the run up to the event was so well organised and no request or question was too small, which really helped to put us at ease. As a result, I felt no nerves at all on the wedding day! So thank you for answering what felt like a hundred and one last minute emails and guiding me through the morning so calmly and with a smile always on your face.
