Bright lights, big city...

Tucked away behind The Strand, our enviable setting offers the best of both worlds: conveniently in the heart of London's West End, home to many of the Capital's most glamorous hot spots, yet just a stone's throw from the River Thames and the peace of Victoria Embankment Gardens.

Sharing the love

The RSA (Royal Society for the encouragement of Arts, Manufactures and Commerce) believes in a world where everyone is able to participate in creating a better future. In choosing to host your wedding day with us you are helping support our mission to enrich society through ideas and action. Through our ideas, research and a 30,000 strong Fellowship we are a global community of proactive problem solvers. Uniting people and ideas to resolve the challenges of our time.

“We feel a real sense of connection to RSA. Its mission was an important part of our deciding on the venue and we are really pleased to have been able to make our contribution to the charity.”
