Bells And Whistles

The Bell in Ticehurst is a gorgeous sixteenth century inn set in the beautiful East Sussex Countryside.

The story of The Bell stretches back to 1560 when it was a humble coaching inn. We have smoothed out the rougher edges but preserved the wonderful character and quirks. Our promise is to pull out all the stops for your wedding day ~ Whether you are looking for robust and rustic, or Alice in Wonderland whimsy, we are here to help make your visions and dreams come true.

Although The Bell is located in the heart of the East Sussex countryside, it still has great road and rail access, with Brighton only an hour away, and London 90 minutes.

If you desire the eclectic and uncommon, then get in touch to begin the exciting journey towards your big day.

Ceremonies & Celebrations

The opulent Big Room can accommodate up to 90 guests seated, and 120 for your evening celebrations. The distinctive wallpaper and grandiose collection of chandeliers offer you and your guests a unique space to celebrate your partnership, enjoy a beautiful meal and party the night away.

Downstairs in the historic Stables you can celebrate your nuptials with your very own Red Carpet Walk which is rolled out just for you along the exceptionally long wooden table. Enjoy drinks and canapés from your personal bar. Under our beautiful pink neon, *'I will always love you my friend'* is the perfect place for speeches, offering a more informal approach to the tradition.

Our cosy Snug is your own little space to chill out and relax during the day. After your ceremony we will smuggle you away to spend a little time by yourselves before the mingling begins. This is also the perfect place for guests young and old to rest on the comfy seats, enjoy the roaring fire, and get away from the noise (but only for a few minutes).

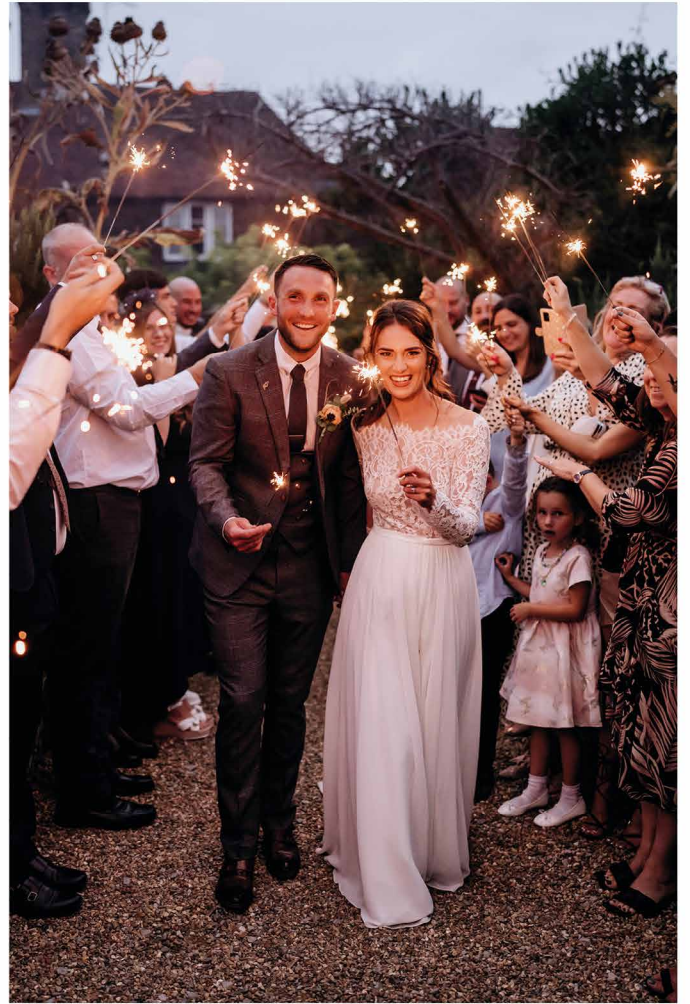

And Now We Eat

Thoughtfully prepared by our Head Chef and team, our wedding menus have been crafted to provide sumptuous dining options.

Our secret lies in the excellent quality of ingredients, locally sourced with a passion for detail and presentation. We pride ourselves on bespoke dining, catering for individual needs and requirements.

Raise The Roof

After dinner gather your guests in the Big Room for the ultimate party. Raise the roof with the best tunes, choose a band, DJ or make your own playlist.

To end the night, gather your guests around our firepit to toast marshmallows and wind down with a few last drinks together.

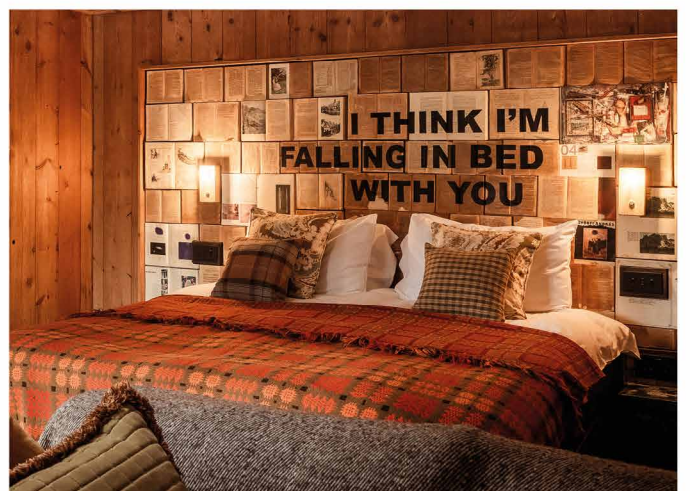

And So To Bed

The Bell has 11 beautifully distinctive rooms, all with their own personality. Each one designed with quirks and a silver birch tree. Our amazing Love Nest will be yours for the night ~ A romantic cocoon with a fantastic copper roll top bath, perfect for a long luxurious soak. Warm up with your very own log burner and snuggle up in the Nest, the perfect place to end your day.

Songs Of Praise

"If I could give more than five stars I would. This was an absolute dream venue, it was stunningly beautiful and our day couldn't have gone better. The staff were beyond helpful, every inch of the day was wonderfully planned and ran absolutely flawlessly. There was no request or issue too big. All of our guests were overwhelmed at the venue's uniqueness and we couldn't have had enough compliments, from the design of the place, to the quality of the food, to the smoothness of the day. If you're looking for a wedding with a relaxed and calm feel, where the focus is people having a great time and loving every second I couldn't recommend this place highly enough. If I could re-do my day all over again I would!"

"We loved The Bell the moment we saw it, its location in Sussex, its charm, its quiriness, its functionality. It was perfect for us as it was unique whilst being hotel quality service, but a pub and much more casual and cool venue than a traditional hotel venue."

Carla J

"I lost count of the number of times people commented on how much they loved the venue for our wedding. It was the first place we saw and we knew it was right for us. We loved the quirky vibe and it already looked amazing so it didn't take much additional decoration. The red carpet walk made for some awesome and unique photos, as did the beautiful garden with tulips in bloom. We look forward to coming back for our anniversary stay!"
