Gorgeous venue and amazing staff

We were let down by our original wedding venue last minute and were able to book Easthampstead Park with only 3 months to go. The stars were aligned that day. From the second we changed venue we knew it was the best decision we made. Lili and her team were amazing and it felt very personal planning process. On the day the team were amazing, very attentive and nothing was too much trouble. We would recommend 110% Thank you all for such a wonderful day! Xx

The grounds are massive, and have unique feature, so there are so many photo and videography opportunities. Lili was amazing, she made sure we were in the loop and had the perfect day.
