**EXPERIENCE THE
HEART OF CHELSEA**

Set the scene for your modern British wedding, with our selection of both unique and traditional spaces. Our timeless contemporary backdrops will create a day to remember for you and your loved ones.

ABOUT THE PROPERTY

Built by Lord Chelsea in the late 19th century, 11 Cadogan Gardens originally comprised four separate Victorian townhouses, creating a myriad of corridors, staircases, and hallways throughout the hotel.

Once a hub for aristocrats and artists in London's bohemian quarter, this once private members club brings an air of exclusivity.
