

A man in a dark tuxedo with a white shirt and a red boutonniere is lighting a tall, thin white candle in a silver candlestick. The scene is set at a wedding reception with a table in the foreground featuring a large, round bouquet of red carnations in a silver vase, several silver glasses, and scattered red rose petals. The background is softly blurred, showing other guests and warm lighting.

OUR MAGNIFICENT VENUES

Licensed for civil ceremonies, The Milestone Hotel & Residences provides the perfect venue for an intimate celebration with traditional British style; warm, personal service; and a choice of venues for intimate to grander affairs.

The image shows the interior of 'The Oratory', a historic wedding venue. The room features high, vaulted ceilings with intricate white architectural details. The walls are a deep red, and the lower half is covered in dark wood paneling with ornate gold-colored carvings. Large, arched windows with decorative leaded glass are visible on the left. The floor is made of black and white checkered marble tiles. In the foreground, several silver Chiavari chairs with cream-colored cushions are arranged in rows. Each chair has a large, round, white hydrangea centerpiece attached to its back. In the background, a small round table is also decorated with a similar floral centerpiece. A tall, narrow arrangement of white flowers stands near the windows. On the right wall, a small, ornate gold mirror is mounted. The overall atmosphere is elegant and historic.

THE ORATORY

The original chapel of the house, The Oratory is London's most intimate historic wedding venue. Breath-taking on a diminutive scale, it features sweeping arches, a vaulted ceiling, ornate windows and original Victorian marble flooring.

THE WINDSOR SUITE

The beautifully-decorated Windsor Suite is ideal for larger ceremonies, standing receptions or banquets of up to 50 guests, with a feature chandelier, an impressive fireplace and mahogany-panelled walls.

THE HOTEL

The Milestone's magnificent Victorian character is highlighted by beautiful rich furnishings and exquisite original works of art, while many of its rooms offer expansive views over Kensington Palace and Gardens.

THE HERMES

The Hermes Suite seamlessly combines stunning mid-20th century design with the building's 18th-century architecture for a timeless elegance. An iconic bronze four-poster bed is surrounded by antique furniture and a vintage collection of Hermes scarves is displayed on the luxuriously-upholstered white velvet walls.

THE NOËL COWARD

The Noël Coward Suite blends traditional flourishes with refined modern style. The suite features a handmade Savoir bed with Indian silks, a striking black-and-white marble bathroom, an ebonized French bureau plat and Giacometti-style chairs. Floor-to-ceiling windows frame enviable views of the Palace and Gardens.

ROOMS AND SUITES

Your guests will be spoiled for choice when staying in the individually and elegantly designed 43 deluxe guest rooms and 13 luxury suites. Our rooms are as inviting as they are comfortable, with thoughtful touches and floating votive candles at turndown.

PRIVATE RESIDENCES

Make yourself at home before your wedding in one of our six luxury two- or three-bedroom Residences, with your own private entrance opposite Kensington Palace. Accommodate your family and friends in elegant spaces complete with separate lounges, kitchens and bathrooms.

BARS AND RESTAURANTS

We are renowned for fine wines and gourmet cuisine. Locally-sourced, organic ingredients are transformed into modern British dishes, perfectly paired with one of our 300 vintages.

CHENESTON'S

There is no more welcoming a setting for your wedding breakfast than Cheneston's, which takes its name from the old English for "Kensington". Rich mahogany furniture and wood panelling create a splendidly warm and characterful ambiance, while natural light pours through Victorian leaded windows.

STABLES BAR

Delight your guests with a signature Milestone Old Fashioned in the cosy Stables Bar, the perfect venue for your drinks reception. Relax with your friends and family before sitting down to your banquet in Cheneston's. Add to the sense of occasion with the fine art of Sabrage to open your celebratory Champagne.

THE CONSERVATORY

Extending from Stables Bar, the bright and airy Conservatory overlooks a small herb garden. With its al fresco ambiance, comfortable leather armchairs and sofas, chic black-and-white theme and Murano glass chandelier, it offers another impressive space to mingle with your guests after your ceremony.

THE SPA AND HEALTH CLUB

We have everything you need to relax and unwind before your big day, from an indulgent range of body therapies and deeply relaxing massages to a resistance pool and sauna. We also offer a selection of beauty and hair treatments, which are available 24 hours each day.
