

 **OPS WINES**

Weddings

Located in the very heart of London, OPS Wines is situated just half a mile south of Tower Bridge.

Old world elegance in historical brick meets modern steel and glass styling beneath the rumble of London trains, giving the space a uniquely cosy character and charm.

An intimate, versatile venue, OPS Wines can accommodate up to 150 guests over its two floors, along with its own dedicated outdoors area.

Even in winter, you can stay warm under out heat lamps and take in the sounds of London over a glass of Portugal's best wine.

Inside, admire the centuries old brickwork while sipping bubbly and nibbling on delicious Portuguese bites.

Ground Floor

The ground floor of OPS Wines is an elegant, roomy space fit for multiple purposes. Framed by Victorian age brick and a thirty foot high ceiling, the experience it offers is unlike any other.

The floor to ceiling glass frontage introduces an abundance of natural light.

Your guests can arrive to a delicious drinks reception and mingle while enjoying the wonderful wine displays dotted around. A starter or buffet table can also be set up for guests arrival.

In the evening, a space is cleared for our dance floor, where you and your guests can dance the night away.

The Mezzanine

Don't need the whole venue for your big day?

The Mezzanine - our upper floor - can be rented separately from the rest of the wine bar. It is an intimate, spacious area that is entirely private with no 'through traffic.'

A highly versatile space, The Mezzanine is suitable for gatherings of up to 80 seated and can be adapted to suit your wedding. Everything from a conference layout to full restaurant seating is possible.

This is a very attractive space that enjoys an elevated and spacious view of the wine bar below and the street outside, through our all-glass shop front.

The Mezzanine in OPS Wines is perfect for the smaller, more intimate wedding option.
