The Baptist Bar

The Baptist features a seamless fusion of design elements, anchored by a magnificent centerpiece: a resplendent bar, crafted from a mosaic of mirrors that dazzles in silver grandeur. Enhancing the ambiance is the signature wallpaper by Iksel Decorative Arts, showcasing the Xanadu landscape and panoramic scenes inspired by traditional Chinese motifs, imbuing the space with an aura of European elegance reminiscent of the early 18th century.

A discreet side entrance ensures convenient access for guests while maintaining the privacy of events held within. Stained-glass windows bathe the space in natural daylight, accentuating its architectural beauty. Connected by an extraordinary spiral marble staircase, both floors seamlessly intertwine, adding a touch of splendor to the venue. The space is fully accessible, with wheelchair ramps and facilities provided. Equipped with high-quality PA systems, the venue accommodates both DJs and live music performances, offering dedicated areas for performers.
