

FINGAL

A WEDDING VENUE LIKE NO OTHER

WEDDINGS ON FINGAL

Imagine having exclusive use of a miniature luxury liner with a 1930s Hollywood feel. Nothing conventional. Everything totally unique. With curved walls, portholes and deck spaces, Fingal offers a unique, nautical setting for weddings, engagement parties and honeymoon stays.

Developed by the award-winning team at The Royal Yacht Britannia, Fingal has undergone a transformation from a former Northern Lighthouse Board ship, working the rough seas of the West Coast, into Scotland's first luxury floating hotel.

The spectacular Ballroom, the glittering Lighthouse Restaurant & Bar and a beautiful private dining room in the ship's original Bridge; photo opportunities everywhere! Plus a crew whose sole aim is to ensure that every single detail is taken care of. Permanently berthed in Edinburgh's historic Port of Leith, Fingal sits in all her glory, offering the ultimate luxury wedding venue.

The jewel in Fingal's crown is the magnificent Skerryvore Suite. Perfect for newlyweds and exceptional in every way with an unmistakable air of romance. Named after the Skerryvore Lighthouse, considered one of the most beautiful lighthouses in the world.

An overnight in this special suite includes a mini bar full of local delights, with our compliments.
