

FINGAL

BE UNIQUE. BE MEMORABLE. WEDDINGS ON FINGAL.

EXCEPTIONAL IN EVERY WAY

Welcome aboard Fingal for your momentous wedding.

A wedding venue truly like no other. Curved walls, portholes, deck spaces and 22 luxurious cabins for your guests. The magnificent Skerryvore Suite for the newlyweds.

Photo opportunities everywhere. A crew whose sole aim is to ensure that every single detail is taken care of, proud to be entrusted with creating the memories you'll treasure forever.

THE BRIDGE

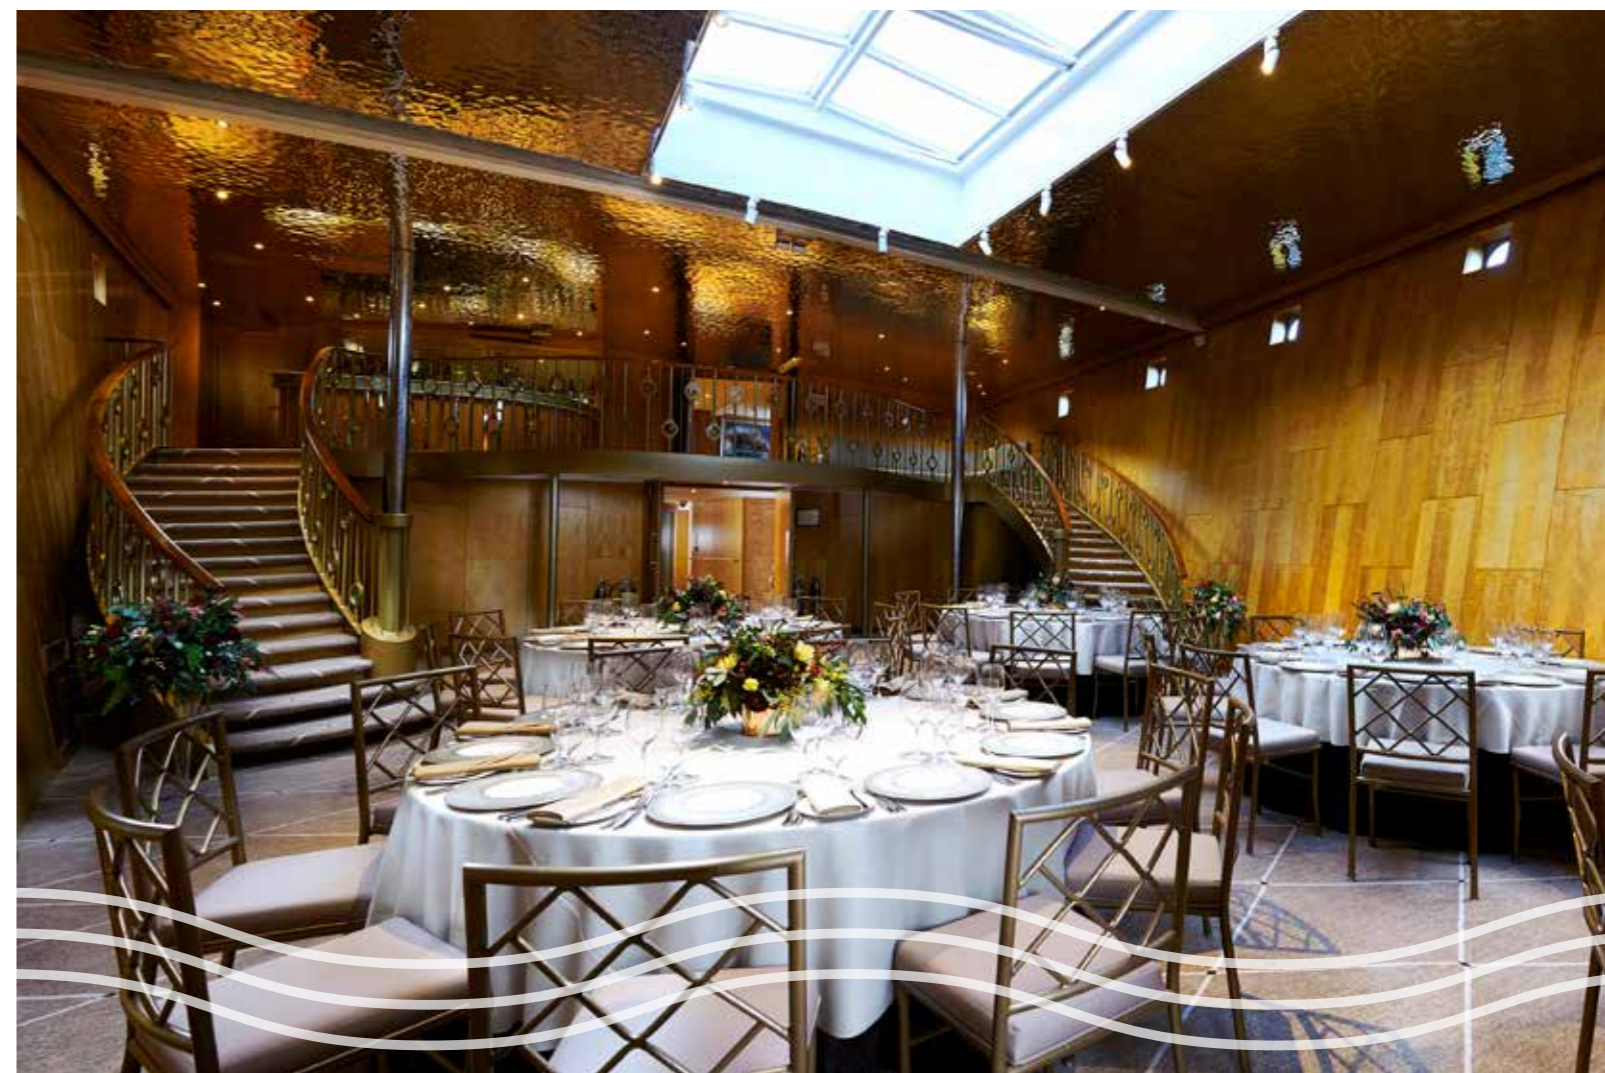

An elegant space in the former Bridge, previously the ship's busy command centre. Full of talking points, The Bridge has access to historical handwritten logbooks from Fingal's days at sea, plus outdoor decks with original ships telegraphs. The perfect space for a private dining experience for up to 12 guests, signing the register or bridal party preparation on the morning of the wedding.

THE BALLROOM

A spectacular events space nestled in the ship's former hold. With curved walls, a shimmering ceiling and two sweeping staircases for a show-stopping entrance.

This space suits up to 60 guests for dining, or 100 for a drinks reception.

Featuring a raised gallery for entertainment plus private bar.

NAUTICAL CABINS

Sleek corridors lead to 22 nautical cabins, each inspired by Fingal's rich maritime heritage and named after Stevenson Lighthouses.

Handcrafted interiors, bespoke soft furnishings and Noble Isle amenities ensure a sumptuous stay in luxurious surroundings.

SKERRYVORE SUITE

The jewel in Fingal's crown is the magnificent Skerryvore Suite. Perfect for newlyweds and exceptional in every way with an unmistakable air of romance. The Skerryvore Suite is named after the Skerryvore Lighthouse, considered one of the most striking lighthouses in the world.

Benefitting from a large living space, sumptuous fabrics, soft leather sofas, access to a private deck and dazzling en suite with roll top bath, Skerryvore is the ultimate honeymoon suite.

An overnight stay in this special suite includes a minibar full of local delights, with our compliments.

CULINARY EXCELLENCE

Dine on the best of Scotland's larder with delicious seasonal dishes created by our team of talented Chefs. Beautifully prepared and bursting with flavour.

With a list of Champagnes and wines to complement your menu, specially recommended by our on board sommelier.
