

THE
BEAUMONT
MAYFAIR

Private Dining & Events

Meet and make merry in sumptuous surroundings

Overlooking a tranquil garden square in Mayfair, The Beaumont Mayfair combines the comfort of a private club with the allure of the grand hotels of the Jazz Age.

The Beaumont Mayfair offers three fine rooms for private dining, business meetings and social celebrations: the Lotos Room, the Sargent Room and the Munnings Room.

Each space has its own individual Art Deco style and character, but all three are highly adaptable and equipped with the latest audio-visual technology, including Policom voice-tracking cameras for hybrid events and video conferencing.

AV facilities include large, hidden plasma-screen televisions, surround sound and high-speed Wi-Fi, all discreetly serviced from a separate AV room. And of course, all three rooms come with the friendly, attentive and supremely efficient service that The Beaumont Mayfair is famous for.

With interiors by the world-renowned interior designer Thierry Despont, these splendid rooms, with their elegant styling and extraordinary works of art, lend themselves to any number of different occasions, for entertaining, celebrating, socialising, connecting, creating, talking, dining and learning.

Whatever the reason and whether there are 10 or 60 guests, a dedicated organiser will be on hand to coordinate every aspect of your event, with menus created by the chefs of our renowned restaurant, Rosi.

We can also host celebratory lunches, afternoon teas and dinners in The Gatsby Room for parties up to 30 people.
