Wedding Ceremonies

Ceremony hire from £2,000 inclusive of VAT.

If you are looking to host only your ceremony here at The Monastery, we would be delighted to help. The Great Nave and tranquil internal walled garden provide the perfect backdrop for your wedding ceremony, with a stunning cathedral feel and plenty of flexibility to host your wedding reception somewhere else.

Evening Receptions

Venue hire from £3,500 inclusive of VAT, catering to be added to suit your requirements.

Whilst we would love to host your full wedding here at The Monastery, we understand that many couples want the flexibility to make their wedding celebrations their own. You are welcome to host just your evening reception with us, with an optional wedding breakfast, and then dance the night away within the stunning architecture of The Great Nave.

The Courtyard Garden

Our unique courtyard garden offers stunning architecture and is the perfect place for photographs, outdoor reception drinks and lawn games.

The Welcome Wing

This modern room is an eco-friendly space that provides a bright and airy setting for your drinks reception. The Welcome Wing has been built on the footprint of the original friary.

The Great Nave

The Great Nave will be the main event for your special day - turn to the next page to read all about it.

The Arches

Situated in front of the original Victorian doors are The Arches. The Arches offer cathedral like grandeur with stunning red brick and ornate tiled flooring.

The Private Chapel

The Private Chapel is a unique and intimate space for a smaller ceremony or to be used for the wedding party to get ready on the big day.

The Cloisters

The Cloisters are an internal walkway around the building, with beautiful white arches that can be lit with a pop of colour.

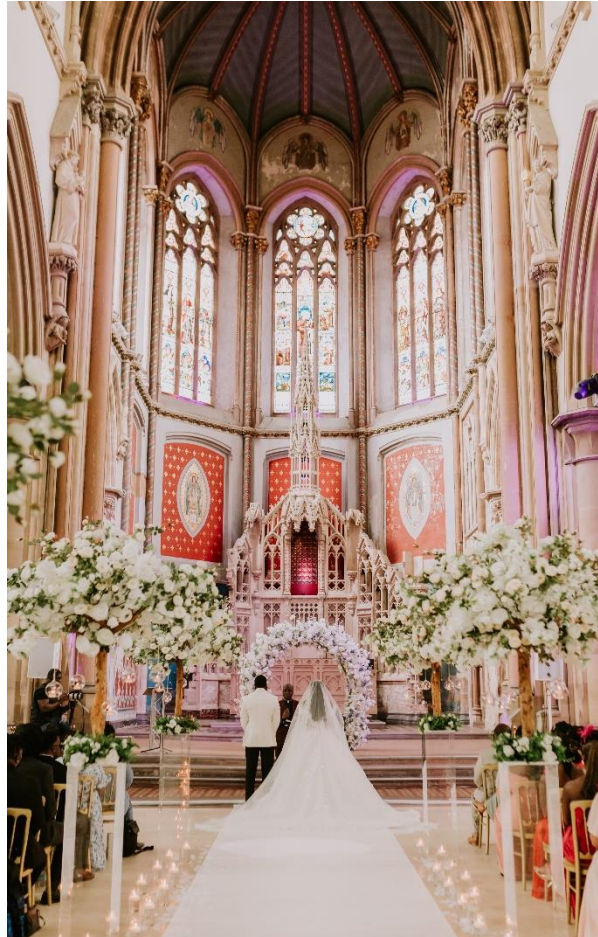

The Great Nave

The Great Nave is the main event for your celebrations, standing at just under 100 feet tall, this dramatic space is like no other.

Walk down the aisle in a Cathedral style setting with an urban twist. No need to have a religious ceremony as this is a modern day Monastery for everyone. The Nave is fully licensed for civil ceremonies, and with its colourful stained glass windows and impressive stone pillars, it's the perfect place to say "I do".

After your ceremony, whilst you and your guests enjoy the rest of The Monastery, The Great Nave will be transformed for your wedding breakfast. Within the Monastery pillars, the space is cosy and just perfect for 70, yet the overall Nave is expansive enough to comfortably seat 350 - allowing for any number of your friends and family to share your special day. As evening falls, the stage is set for your guests to dance the night away in a truly magical setting.

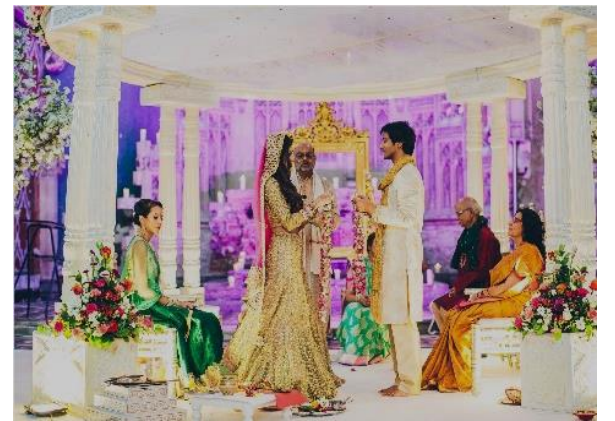

LGBTQIA+ Weddings

At Manchester Monastery we have always welcomed LGBTQIA+ weddings. We are a gender-friendly wedding venue and we want your whole journey with us to be a magical part of the wedding planning process. Whether you want to shake it up and throw the rule book out of the window, or you want a more traditional feel, we want to make the day unforgettable and truly yours.

Multicultural Weddings

We proudly embrace multi-faith weddings here at The Monastery. It's our honour to celebrate love and commitment of all colours and creeds. We're proud of Manchester's rich, multicultural scene and we host weddings of all faiths.
