

MANOR

CRAFTED EXPERIENCES

WEDDINGS

MARRIAGE IS
A BEAUTIFUL
NEW CHAPTER

You're not planning a party,
you're writing your story.

Let's make it legendary.

How do you leave your guests
reminiscing for years to come?

A taste, a scent, a scene.

WITHOUT
STORY TELLERS,
MEMORIES FADE

“EVERY GREAT
LOVE STARTS
WITH A GREAT
STORY”

— NICHOLAS SPARKS

WE'RE NOT
A WEDDING
VENUE

WE'RE A HOUSE
WHERE EVERY
EXPERIENCE IS
CRAFTED

In the hands of our award winning team,
this house becomes the home for your most
cherished moments to be made.

YOUR CREATIVE CANVAS

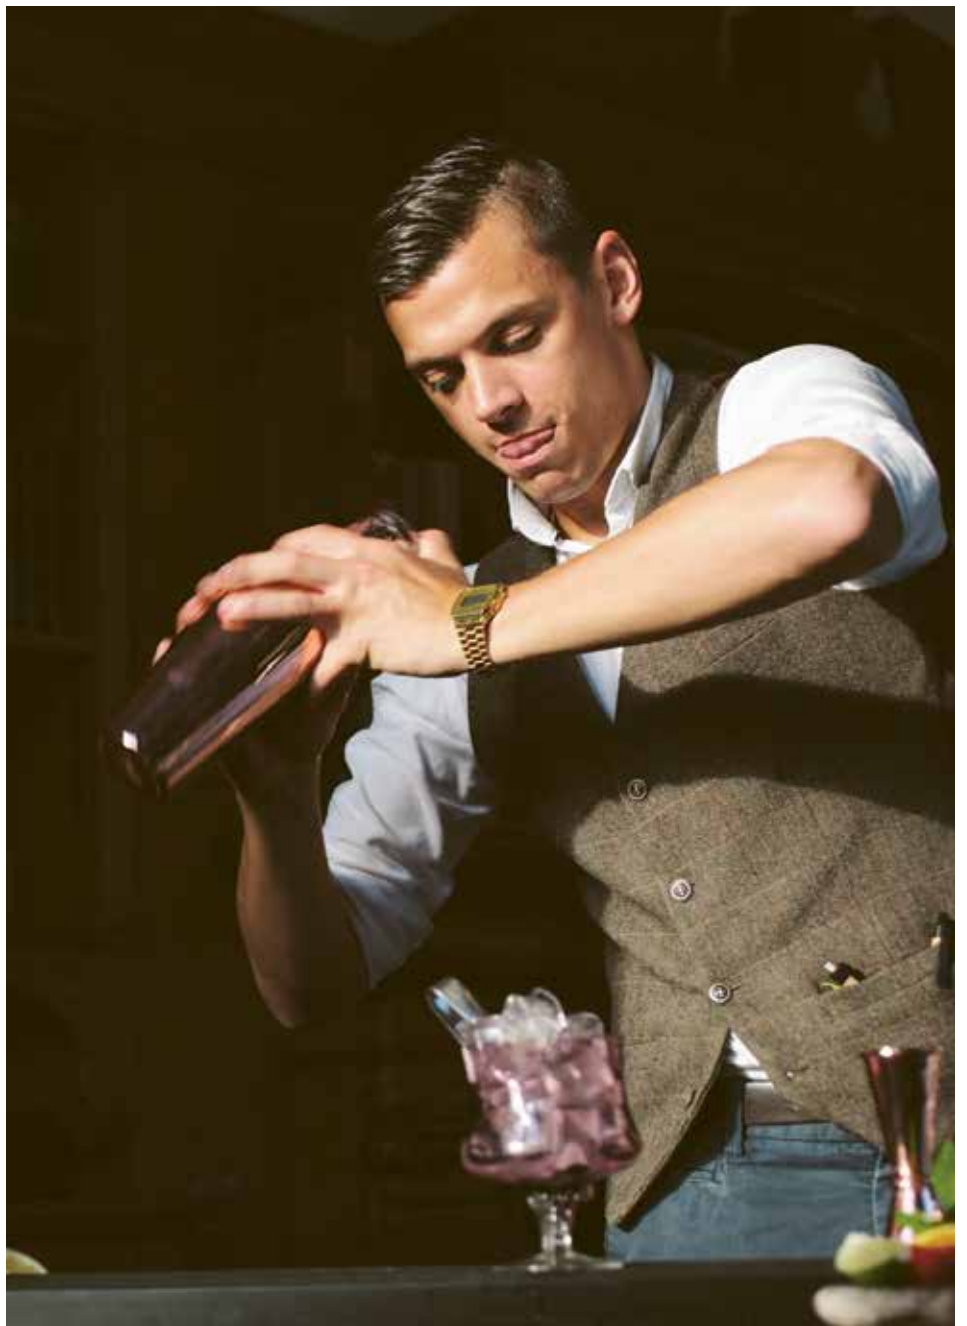

We know that a memorable event is assured when there is attentive planning. But planning needn't be arduous. At our foodie destination, the decision making is delicious, fun and immersive.

MEET THE MAKERS

THE ALCHEMIST
THE CHEF
THE SOMMELIER
THE GARDENER
THE BAKER

At our table, a team of creatives hone their craft. Our Michelin-starred estate draws the exceptional, the passionate and the gifted. They're here to dedicate all their skill to your wedding day.

THE ALCHEMIST IN THE LIBRARY

Book an afternoon amongst the legends and fables of our library for a cocktail tasting. Our award winning mixologist Loic Cretel, will work with you to design a cocktail for your evening reception. Lend your personality to it - cheeky or serious, distinctive or classic. Loic will use his chef instincts to ensure your cocktail is perfectly balanced.

THE CHEFS IN THE TASTING ROOM

We invite all our wedding couples to come and taste their wedding menu 3 months before their wedding. If you'd like to upgrade from our seasonal 3 course wedding breakfast to a fully bespoke menu, meet our Exec Chef, MasterChef The Professionals Champion, Stuart Deeley, to start the process.

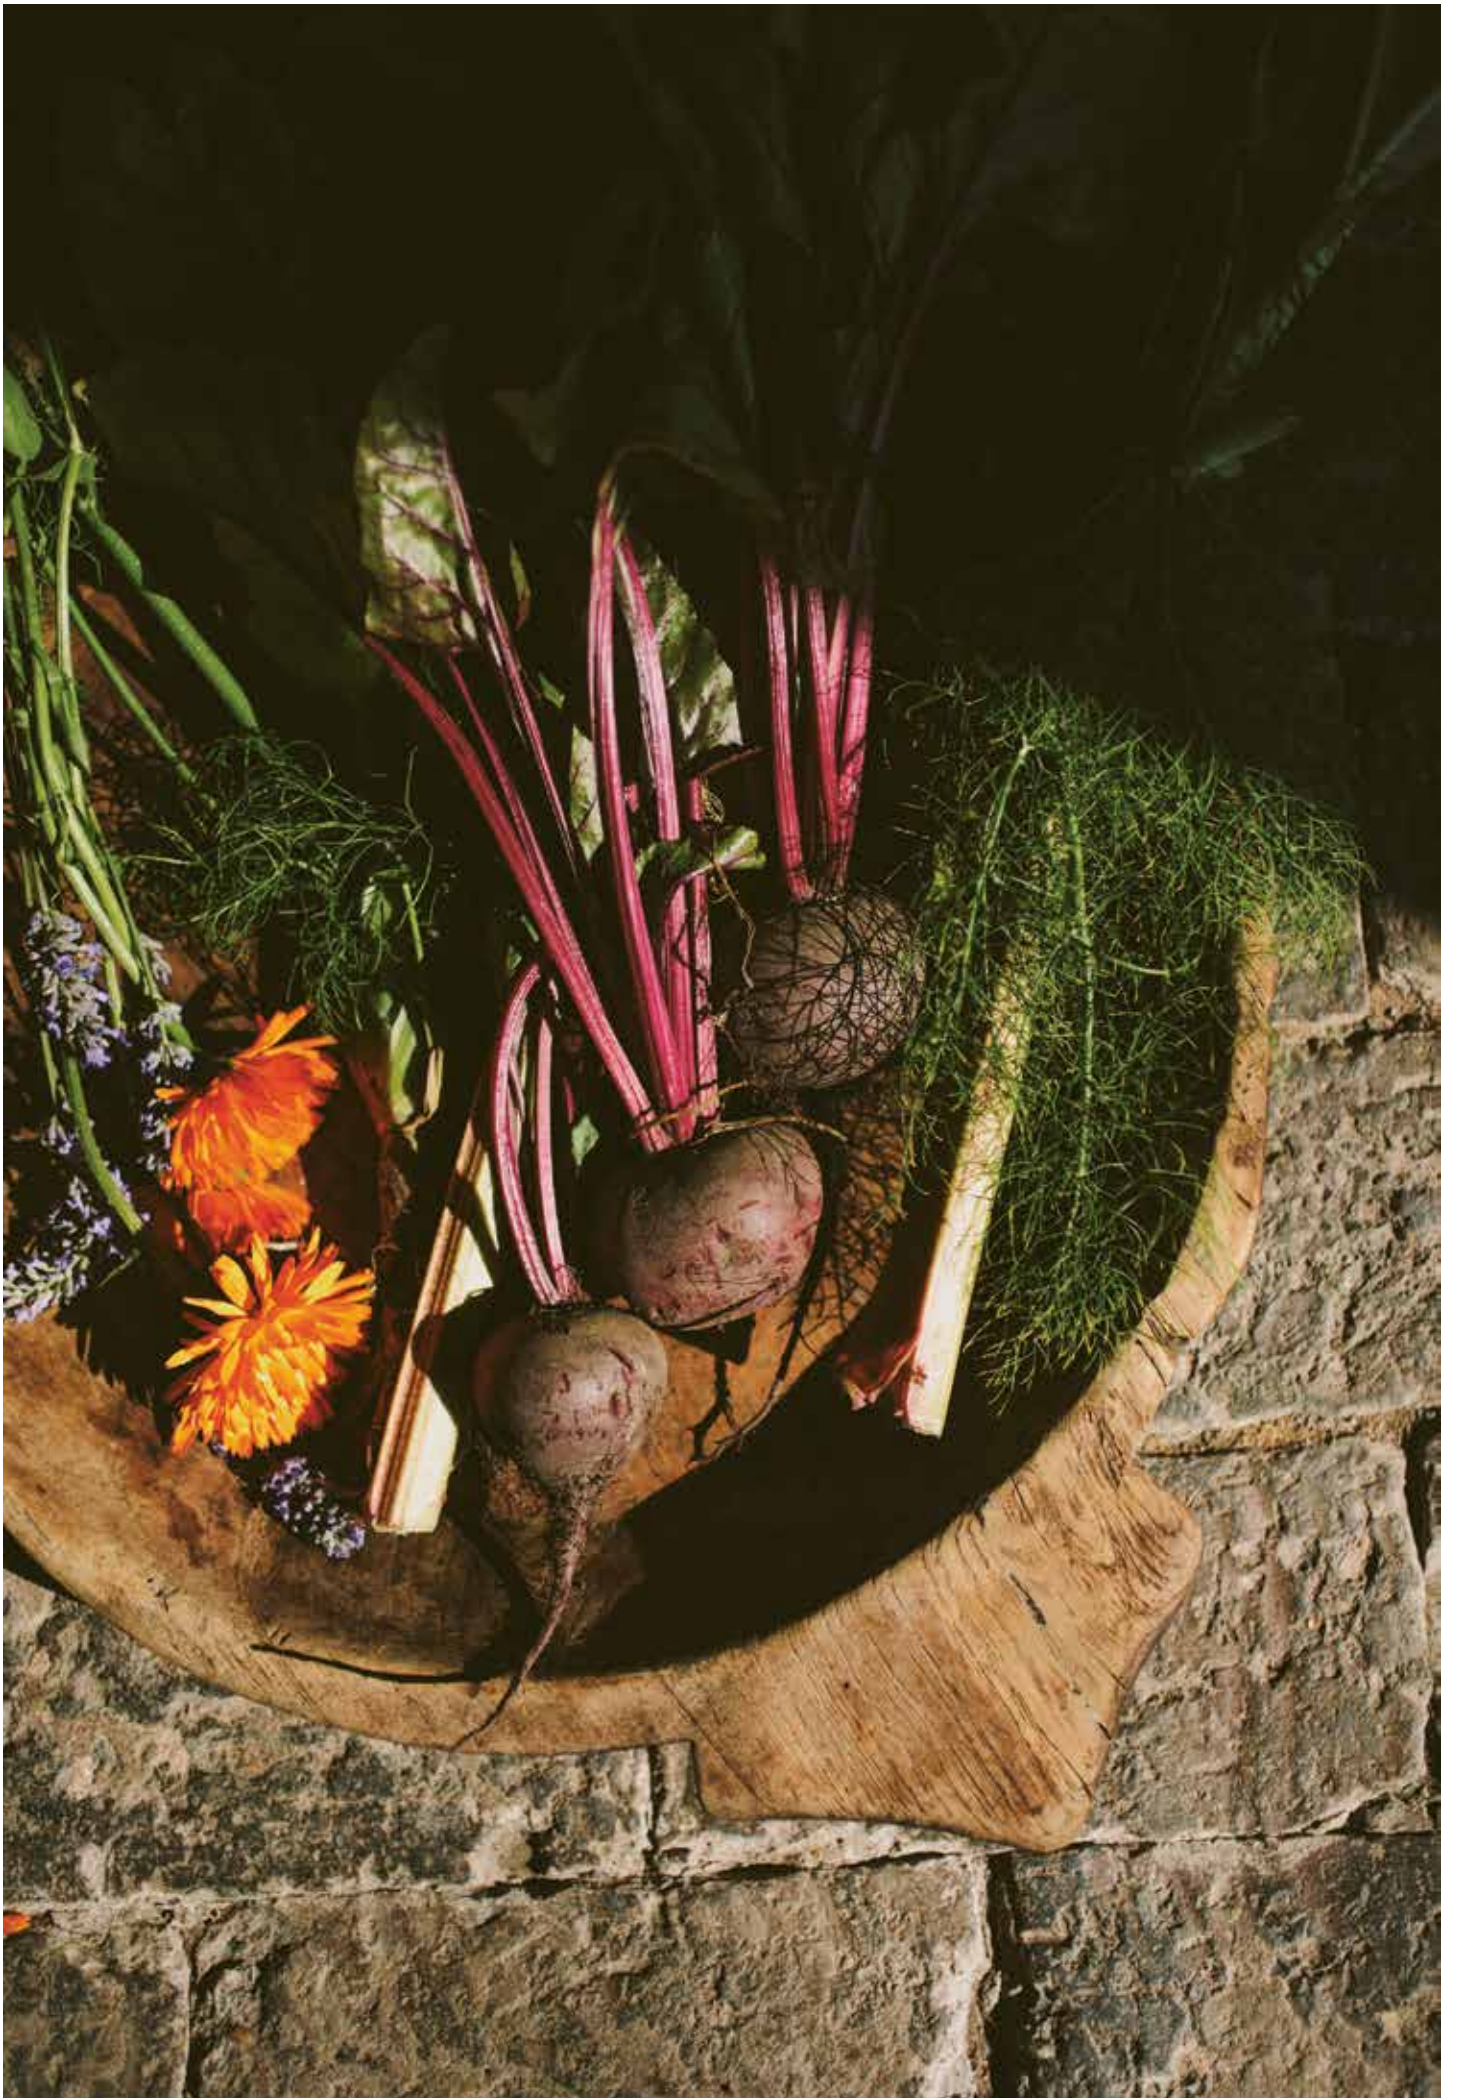

THE
SOMMEILLER
IN THE VINERY

As winner's of both the England and the overall UK title for AA Best Wine List of the Year, we're well placed to connect you to the stories of the makers and perhaps take you off the beaten track. You'll taste our wines at your wedding tasting.

THE GARDENER IN THE GREENHOUSE

Our kitchen garden is the living heart of Hampton Manor where we grow organically for our restaurants.

Meet our baker, Min, to learn about our ethical ethos and the regenerative farmers who grow your grain.

THE BAKER IN THE BAKERY

THE 15 BEDROOMS ARE ALL YOURS

Each bedroom is individually designed.
