THE PINK PARTY ROOM

The image shows a modern, stylish interior of a party room. The walls are a deep teal color, and the ceiling is white with a modern chandelier. There is a long pink velvet banquette along the wall, and several pink velvet chairs are arranged around tables. A large green plant is in the foreground. The overall atmosphere is modern and elegant.

Found just a stone's throw from the main bar, the Pink Party Room is the perfect place to throw a wedding party.

It's modern, luminous style truly brings an added element to the wedding reception atmosphere

With banquette seating for 30 guests and space to accommodate up to 60 guests standing, it is the ideal choice for a smaller gathering.

THE GROVE GREEN ROOM

The background image shows the interior of The Grove Green Room. It is a restaurant with green walls and a brick wall section. There is a bar area on the left with a staff member. Several tables are set with people dining. The room has high ceilings and large windows. The lighting is warm and ambient.

Our charming room upstairs boasts beautiful leaded Edwardian windows and lofty high ceilings.

The Grove Green Room can accommodate up to 200 people standing or 100 seated.
