

WELCOME TO ST OSYTH PRIORY

BECOME A PART OF HISTORY

Steeped in over 1,400 years of culture, history, and legend, St Osyth Priory has been lovingly restored to become a dream venue that upholds its rich history.

Nestled in the stunning coastal district of Tendring, just 5 miles from the City of Colchester, our magnificent country estate now offers elegant holiday accommodations, an exquisite wedding venue, and exceptional event space.

"We couldn't recommend St Osyth Priory enough. Lizzie and Livi went above and beyond to give us our dream day. Everything from the aesthetics of the location - which we had always dreamed about but found hard to find - to the service and attention to detail were incredible. This will forever be such a special location to us and I'm sure we will continue to visit for the rest of our days!"

"Absolutely perfect day, we couldn't have wished for more, the day was so amazing and over and above our expectations! The venue for us definitely had the wow factor which we were constantly being told by many of our guests. As for the staff and the wedding planners, nothing was too much trouble and the timings of the whole day were faultless. We can't thank you all enough for making our day so special, and the memories will last forever."
