WEDDINGS

Congratulations on your engagement!
We're thrilled that you're considering us for one of the most
important days of your lives.

THE VENUE

A hidden gem on Hackney Road.

Our venue boasts an exposed brick backdrop, an abundance of natural light and a beautiful hanging garden of tropical plants.

The venue includes 4 interconnected areas - cocktail bar, lounge area, dining space, as well as a covered outdoor terrace. The dining space doubles up as your dancefloor, complete with disco ball and lighting.

FULL OF CHARACTER

Our venue started life over 150 years ago as a brewery and later as a mechanic's workshop. We've lovingly restored it back to its full potential, keeping many of the original period features.

In the daytime the natural light and plants offer a stunning backdrop to photos. At night, when the lights are dimmed and candles are lit, the venue feels intimate and stylish.

It's a place so full of character that you'll never forget it.

COCKTAIL BAR

Our stylish cocktail bar welcomes you into our venue and offers the perfect space for welcome drinks. Fully stocked with all the classics and served by experienced cocktail bartenders.

Relaxed seating offers guests a cosy area to relax away from the rest of the action.

LOUNGE

Our lounge area offers sophisticated soft seating for your guests and an area where canapés and drinks can be served from the adjacent kitchen and bar areas.

A range of floor plan options are available if you wish to set out furniture differently.

TERRACE

Our covered outdoor terrace, with its transparent roof, offers plenty of sun in the summer, with heaters keeping guests warm in the winter.

Our lounge sofas and plants give the space a relaxed mediterranean vibe.

NIGHT TIME

When the lights dim and the beats drop, the venue offers everything you need to dance the night away - music system, sophisticated lighting & disco ball.

Our venue is licensed to serve drinks and play music until 11pm, with an 11.30pm closing time.
