Middle Aston House

Why Middle Aston House?

Middle Aston House is a charming 17th century manor house, nestled in 20 acres of Oxfordshire countryside, providing an idyllic backdrop for all your wedding photographs – the perfect venue for your wedding. You'll find us sitting pretty between Oxford and Banbury, - less than 15 minutes drive from the M40.

We know your wedding is a once in a lifetime event, one of the most special days of your lives. That's why we'll do our utmost to make it a day to remember and for all the right reasons. Every little thing you and your party need on the day will be ready and in place – we'll take all the strain so that you don't have to.

The manor house itself can cater for wedding receptions of up to 45 for a full sit down meal or up to 120 for buffets and evening events. If you have plans for a bigger party, we would suggest a marquee on the front lawn.

With 55 bedrooms on-site, there's plenty of accommodation for you and your guests.

Our food is locally sourced, and prepared to the highest standards by our chefs. You'll find menus on the following pages but our chef is always happy to discuss ideas and special dietary requirements. Our menu items are individually priced, per person.

Weddings don't have to be stressful – our team will give you help and guidance on entertainment, menus, flowers and anything else you might need to know about, so your day goes as smoothly and enjoyable as possible.

Civil Ceremonies

At Middle Aston house, we're licensed to hold civil marriage and partnership ceremonies.

We have different rooms available, so you can choose the one that works best for you in terms of size and decor.

If you're looking for something a bit different for a summer wedding, the alcove on our terrace is licensed, so you can get married outdoors in our rose garden with wonderfully romantic views across the lake.

The Lounge (50 guests)

The Deddington Room (45 guests)

The Terrace Alcove (50 guests)

Our Wedding Ceremony (Saturday/Sunday only) is just £650.
