

A woman in a long, flowing white wedding dress stands with her back to the camera, looking out through a large, arched stone doorway. The doorway is set into a dark, textured stone wall. The courtyard beyond is illuminated by warm string lights, and a building with a gabled roof is visible in the background. The overall mood is romantic and elegant.

THE OLD DR BELL'S BATHS CATERING

WHERE THERE IS GOOD FOOD,
THERE IS HAPPINESS

Here at The Old Dr Bell's Baths, we deeply value the integral role of exceptional cuisine on your special day. We are devoted to crafting a dining experience that will be remembered and cherished for years to come.

Our accomplished Executive Chef leads our outstanding catering team who are dedicated to perfecting every detail of your celebration. For culinary enthusiasts, we promise a dining experience that is both sophisticated and extraordinary.

"The food was totally out of this world. We have no idea how the chef and their team managed to create food at such a high standard all day but it was some of the best food we've ever had. We're big foodies and had initially had reservations that we couldn't bring in our own outside caterer, but trusted reviews we'd seen where others had mentioned how good the food is, and we're so glad we did. We worked with the team to choose seasonal menu items and it was beautifully executed. Our guests have not stopped talking about how delicious the food was and how it was the best food they'd ever had at a wedding"
