Jamie & Laura

Nick Church Photography

"All of our guests were blown away by the food on our wedding day and it feels just like a dream that we will cherish forever."

"Jamie & I booked our wedding with Wolfscastle Country Hotel and from the very first visit we knew it was going to be "our" place.

The whole experience was wonderful, from our first meetings with Lowri, the wedding coordinator (and the most loveliest lady) to the help we received from the chefs to personalise our wedding day just the way we wanted it! The staff were so helpful and friendly and we always felt like everything was under control at all times. So much stress was alleviated for us, just incredible!

The Wolfscastle family feel like our family now and we cannot wait to enjoy more celebrations there in the future"

Jamie and Laura – July 2024

"Mandy and Lowri are the wonderful wedding coordinators. These two ladies are so lovely and helpful. From that very first day they assured us they would help make our dream wedding a reality—and they truly delivered. Their kindness and support were consistent throughout our entire wedding journey. They are both incredibly kind and approachable. All the staff here truly went above and beyond to ensure everything was perfect and that our guests were happy.

Wolfscastle offers the flexibility to make your wedding as bespoke as you desire, which not only helps to manage costs but also makes your day feel incredibly personal and special. They are also dog-friendly, allowing our furry little friends to join the celebration, which meant a lot to us—even if they did steal the show.

The food at this venue is exceptional. Their amazing chefs crafted customized vegan and veggie dishes that left our guests raving. It is clear they take immense pride in their work. The dining experience and buffet were out of this world and exactly what we asked for. We spent the day absolutely stuffed but refusing not to polish off every bite of our wedding breakfast.

The venue itself is ideal for weddings. It features numerous lovely rooms for guests and the ceremony room is bright and lavish, leading directly into beautiful gardens where we took many lovely pictures. We even considered getting married in the gardens because they are so beautiful. But alas - it rained! The evening room where we had our first dance was beautiful and spacious with coloured fairy lights, a constantly manned bar, and plenty of dance floor! "

Every element of this venue exudes high quality and the highest standards. Wolfscastle takes immense pride in being an exceptional wedding venue, and they truly are."

"If you are considering this venue for your wedding, rest assured you will not be disappointed! They made our big day perfect."
