# Our Love Story

Renegade Urban Winery is a unique movement in the wine world as one of only a handful of urban wineries in London. Founded in 2016, we make delicious and revolutionary wines - from crushing the grapes to bottling, we do it ourselves, the Renegade way.

We are currently focused on using English grapes and surprising patrons with delicious and *truly English* wines.

Now you've heard our love story, we want to hear yours!

Over the years, we have hosted a fair few weddings. We're committed to creating unique & unforgettable memories on your big day that you can cherish for years to come.

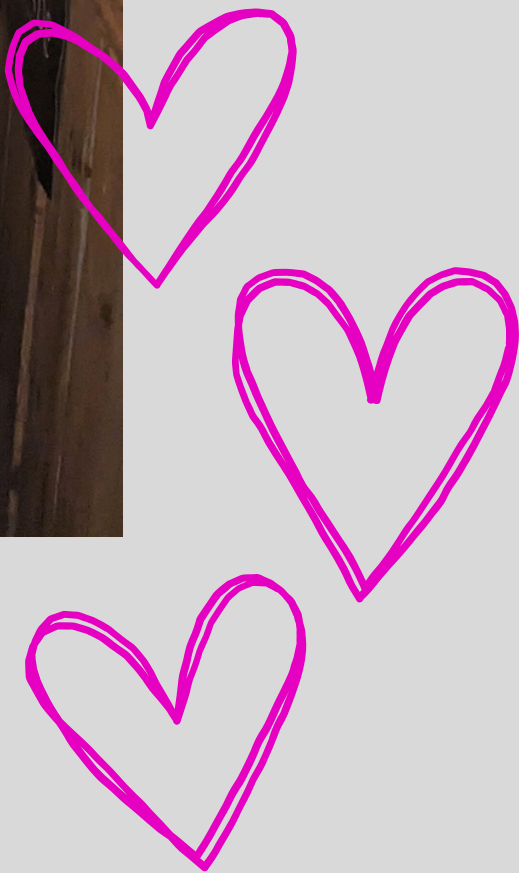

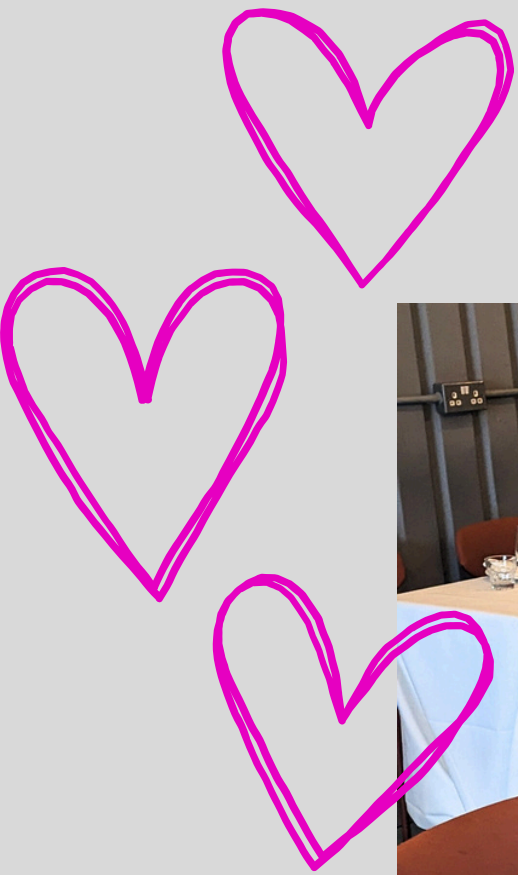

# The Wine Bar

Our Wine Bar in Bethnal Green (E2) is the original Renegade venue. This is where our operation started - a charming bar in a humble archway just off of the bustling high street; a romantic hideaway in the heart of the city.

- Quirky & relaxed vibe
- Central location
- Full bar
- Kitchenette
- Sound system
- Outdoor space
- Max. Capacity: 75 guests

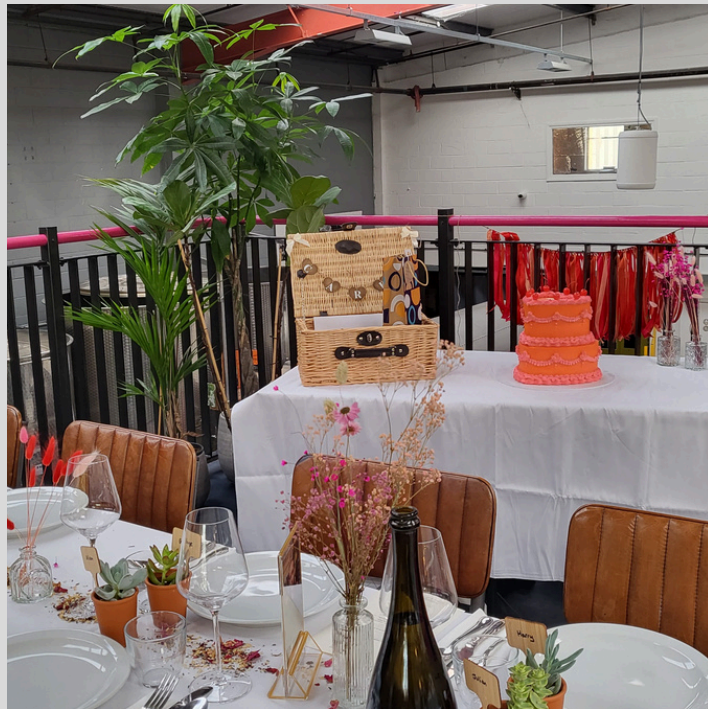

# The Winery

Our Winery on Blackhorse Road (E17) is where the magic happens. As the only winery on the famous Blackhorse Beer Mile, and adjacent to the Walthamstow Wetlands nature reserve, the venue houses giant steel tanks and oak barrels (often filled with wine!)

- Bright, industrial & spacious
- Two bars
- Full kitchen
- PA system across entire venue
- Secret back garden
- Karaoke room
- Parking available
- Max. Capacity: 120 guests

# Catering

We have two catering partners who are both well-acquainted with both of our venues:

We will liaise with them to help you to create premium bespoke menus at competitive prices.  
All pricing includes venue commission & use of kitchen facilities.

Quotes available upon request.

If you would like to involve external caterers,  
we charge a 'forkage' fee per guest.

# What We Offer

## Late Nights

Keen to party late into the night?

Our venues can both be kept open past midnight so that you can drink & dance the night away into the early hours.

## Flexibility

Both of our venues are unique in that they offer the flexibility for you to make what you want of the space!

We are open to discuss your weird & wildest ideas, see how we can best facilitate & make your wedding one to remember!

## Karaoke @ E17

Want to make sweet music on the big day? You're sure to love our secret karaoke room at the E17 Winery!

We welcome you to grab your favourite glass of Renegade wine from the bar and join us upstairs to belt out a tune in honour of your nuptials.

Haven't found the right fit? We love to create bespoke events by tailoring our offerings to suit you.  
Contact us with your idea & we'll see what we can make possible!
