WHOLE PUB HIRE

Your Freston Boot wedding story begins with our commitment to delivering the highest quality service to you and each of your guests.

When you choose to host a private hire wedding with us, we close the pub to the public, allowing us to concentrate exclusively on your special day.

MAIN PUB

Our main pub area has a classic British pub feel with wooden beams and mismatched furniture. Depending on your table plan, we can rearrange the room to best suit your vision

PIGLET / CEREMONY ROOM

Our Piglet and Gallery room are great places to break out to, hold a faux ceremony or seat large groups on 1 table. With so many options, we highly recommend booking a visit to see what would work best for you.

GARDEN SPACES

THE TIPI

Our giant top-hat tipi is a great atmospheric space for up to 60 seated guests dining or 100 standing

TIPI INTERIOR

Inside, the space can be transformed to suit any theme or style, from rustic chic to elegant simplicity.

ROUNDHOUSE

The Roundhouse is a natural wood and earth structure with a green roof and stained glass windows.

ROUNDHOUSE INTERIOR

The space provides a memorable experience that celebrates the beauty of nature and the art of craftsmanship

THE KINO

Our very own boutique 12 seater cinema, perfect for a slideshow of your love story on screen

PERSONALISE!

Add your own personal touches to suit any colour scheme or theme
