WELCOME TO SHAMPAN AT THE SPINNING WHEEL

Situated in North Kent, known as the Garden of England, Shampan at the Spinning Wheel is more than just a restaurant. It is a venue, marked by a picturesque period thatched cottage in its grounds, and it is an establishment that combines fine modern Indian dining, tempting drinks and a vibrant atmosphere in convivial and spacious surroundings.

We have mastered a reputation second to none and won awards for it in a relatively short space of time since we first opened our doors; an achievement we are very proud of.

Our venue offers a unique setting for all styles of functions and events; from small private parties to large-scale corporate functions, from product launches to lavish weddings. Each event and function is bespoke and tailored to your individual requirements and desires. Our Saffron Room and Mumbai Quarters Suite, designed with views of our al fresco dining area, India's Garden, provides a space which can be hired exclusively so your

event can be contained within an area private to yourself and your guests or clients. However, use of the whole venue or sections thereof are also available for exclusive or semi-exclusive hire.

With an events team on-site, we can ensure that your every need is met.

TESTIMONIALS

"I want to say a huge thank you for organising such a lovely event on Sunday for my parents party. Everything went very smoothly and the service was excellent. The waiters in the room were very attentive. I want to say a special thank you to the bar man also as he was very friendly with all my family and even lied about making the food! He was very funny and it was nice having such nice staff there.

The food was absolutely outstanding. Everything from the canapés to the main buffet was lovely. I was worried that it may not turn out like the food tasting but it was even better. The way that you displayed and served the cake was lovely and I can see that at Shampan, you pay a lot of attention to detail.

And finally a huge thanks to the events team who were a great help, always available when I needed to contact them. Their ideas and suggestions were very good and it was down to them and the rest of the staff which made the event a great success."

SHIVANI VADUKUL

"During my time at Cooper Tunbridge Wells, the management teams of Cooper Reading and Cooper Tunbridge Wells attended a strategy and execution workshop at the award winning Shampan at the Spinning Wheel in Westerham.

The day included several high energy, high impact and highly enjoyable modules and was broken midway for what can only be described as an exquisite buffet lunch.

The beautiful, opulent and comfortable surroundings at the Shampan were an obvious choice for the BMW teams as it was felt that the quality and consumer experience of the restaurant was in line with our brand positioning in the marketplace.

The venue was perfect for our needs and the staff were impeccable and courteous at all times, delivering a first class experience for the private or corporate client alike."

We really appreciated the meetings with you which gave us some great ideas and helped keep us on track, and everything was so well organised on the day that we could relax and enjoy it! We would like to thank all the staff for helping make our day so special including the people behind the scenes that we didn't meet that help it all go so smoothly.

A lot of people commented on the how good the food was, so a special thanks to everyone in the kitchen.
