*Kind words from our wedding couples:*

We're honored to have been part of so many unforgettable love stories. Here's what some of our wonderful couples had to say about their special day with us:

“We got married here last weekend, from the initial enquiry right through to the day - the team at the sky bar were AMAZING. Kimberley was a superstar, assisted us with every detail and her communication was excellent. She was there on hand for every email and phone call, every meeting and was just the most kind and caring person. Euan was our master of ceremonies, he was absolutely brilliant and had the day working like clockwork. He created such a lovely atmosphere for our guests and kept us calm throughout the day. We are so grateful to have both Kimberley and Euan as such big parts of our day, they made the whole wedding planning process so enjoyable and supported us so well. The food was also incredible, every single guest commented on how good it was!! Thanks again team, we love and appreciate you so much!”  
Eleanor & David

“We are Gary and Jane, Sarah's parents. We wanted to express our thanks to you for all the hard work you obviously put in to make Saturday so special. Also, could you pass on special thanks to Euan, the MC. He paid very close attention to Jane's mum (who had a walking frame), ensuring she got early notice of any moves, to avoid the crowds. All the rest of the staff were great too, but you and Euan went above and beyond. I know Sarah and Koen share our feelings. Many thanks again, and best wishes.”  
Jane & Gary

“We wanted to thank you so much for all your help both on the build up to the wedding and on the day itself. You have been brilliant and on hand for all our queries and assisting with planning, helping to take a lot of the stress off of us! Also hoped you could pass on our thanks to Euan who was amazing on the day keeping everything running smoothly. The whole team was just fab, so friendly and honestly contributed to us having the best day of our lives.”  
Claire & Ian
