Corporate Days Away

A long wooden conference table is set for a meeting in a modern, eco-friendly room. The table is covered with white papers, pens, and several glass bottles of water. There are also bowls of fruit and coffee cups on the table. The room features a large window with a view of the outdoors, and the walls are decorated with vertical wooden slats and hanging plants. The ceiling is made of wood and has a large, curved, metallic-looking structure. The overall atmosphere is bright and natural.
