FAQ'S

Do you have a wedding licence?

We don't currently hold a wedding licence, but we can host beautiful mock ceremonies.

Do you supply tables and chairs?

Yes — we offer foldable wooden benches and tables. You're also welcome to bring in your own furniture if you prefer a different style.

Is there outdoor space available?

Yes! Our spacious, covered canal-side terrace offers a stunning view and extra room for guests to mingle.

When can we access the venue for setup?

Venue hire includes access from 8am to 11pm (Sunday to Thursday), and until 3am (Friday and Saturday). Early access the day before can be arranged in advance.

Can we bring in our own catering?

Yes — we allow external caterers if you'd prefer something different to our in-house offering.

If you'd like to bring your own full catering service, this is possible with a buyout fee of £550 + VAT. Please note: external caterers do not have access to our kitchen facilities.

If you're just bringing some of your own food, we can accommodate that too — a corkage fee will apply, and our bars will still be run in-house by our team.

Is there parking nearby?

Yes — street parking is free from 6pm on weekdays and all day on weekends. We're also well connected by public transport.
