

CABARET · CIRCUS · COCKTAILS · BRIGHTON  
**Film & Photography Hire Rate Card · August 2026**

An 1892 Grade II listed rotunda with a copper dome in the heart of Kemptown, Brighton: velvet booths, gilded balconies, a full cabaret stage and a period interior unlike anything else on the south coast, five minutes from the seafront.

### The Location

- Distinctive listed period interior: rotunda main room, copper dome, stage, velvet booths, balconies and bar
- Flexible layouts: seated cabaret configuration, cleared open floor, or anything between
- Back of house available as production space, unit base by arrangement; kitchen reopens after renovation this winter
- Duty manager on site for every hire; street level load in from St George's Road

### Technical Specification

| System   | Detail                                                                                                                                 |
|----------|----------------------------------------------------------------------------------------------------------------------------------------|
