YOUR EXCLUSIVE USE WEDDING VENUE

"Welcome to The Old Hall Ely, which has been in our family since the 1830's. My daughter Antonia and I would like to extend our heartfelt congratulations on your engagement and thank you for considering us to host your wedding day.

We are an exclusive-use house and gardens, giving you complete privacy and each wedding is an entirely bespoke event. You have the use of the whole house and grounds completely throughout the day and we offer transparent wedding packages with no hidden extras. Our award-winning venue has an incredible in-house fully trained team and we are recognized for our service, efficiency, food and accommodation. Our Event Managers are extremely talented with a flexible approach, are experienced and will work with you to help create the wedding you have been dreaming of.

Our house and grounds are set in the centre of the family 3000 acre estate overlooking lakes and The Fens to Ely Cathedral. We have created a wonderful 10 acre garden with an enormous amount of photographic opportunities within and plenty of spaces to explore.

I am sure there are masses of questions you wish to ask us, so please pick up the phone or email with them, or better still, just come and see us."

# Testimonials

“We are so glad we chose The Old Hall for our wedding venue, the team were amazing and really helped us to feel comfortable and like everything was under control. We were going to have an outdoor wedding but due to the downpour throughout our wedding day we had to move everything inside, and we can honestly say that thanks to the amazing team and the beautiful orangery we couldn't have been happier with how it all went.”
