Testimonials

WEDDING OF THE NEW DECADE

We chose the All Inclusive option so we could make a weekend of it as some of our friends and family had to come long distances from as far as California, Germany and Amsterdam. The weekend was made even better with the surprise appearance of Elton John (not the real one unfortunately). Tracy and the staff were so efficient and on hand to guide us effortlessly through the day. The food, flowers and cake were all superb as were the photographers and DJ. The setting of Hintlesham Hall just added to the special day. Many of our guests commented that it was the best wedding that they had ever been to!! They want us to do it all over again!!

A PERFECT VENUE FOR OUR DAY!

We got married in October when the trees were golden. The grounds have it all making the photographs just stunning. The team go above and beyond to make your day flow without any stresses, allowing the bride and groom to enjoy every second of it! We chose the All Inclusive package which included 32 rooms meaning all of our loved ones could stay and we could make a weekend of it - I highly recommend doing this. Overall it works out no more expensive! From the moment we booked our special day, the communication and eye for detail from the events team was faultless! If I could do it again and again I would. Thank you Hintlesham Hall for making out day so incredibly special. It is a day we will remember forever.

PERFECT LOCATION FOR A PERFECT WEDDING DAY

We married on the last day of June this year and everything could not have been better. As far as the location, it was the first and only location we looked at. The organisers are so friendly, helpful and professional. The Hall and grounds is just lovely for weddings and on the day we were both even more impressed and pleased with our choice. I must also recommend the food as also being excellent quality. So well organised by the staff through the day we didn't need to worry about a thing.
