The Drawing Room

With its magnificent chandeliers and Italian paintings, the Drawing Room is used for civil ceremonies for up to 100 guests.

All civil ceremonies at Capesthorpe are conducted by Cheshire East Registrars.

The Queen Anne Room

With its ornate fireplace, the Queen Anne room is usually used for wedding breakfasts and has space for up to 80 guests.

For larger numbers, the wedding breakfast can be held in the Lakeside.

The Saloon

A beautiful room for your drinks receptions and canapés, leading out onto the Terrace with steps down to the West Lawn.

This is also the ideal room to display and cut your wedding cake, surrounded by all your guests.

"I just want to say a huge thank you for everything you did in the run up to the wedding and on the day. The day was completely perfect in every way and we loved every second of it."

Phoebe & Rob

The Lakeside

The Lakeside can be hired together with the Hall or independently (subject to guest numbers).

This space can be used for civil ceremonies and wedding breakfasts for up to 160 guests and offers wonderful, elevated views across the formal gardens towards the lake.

Evening Receptions

All evening receptions are held in the Lakeside.

With capacity for up to 180 guests, it provides a stunning location with a dance area under the starlit canopy to end your fabulous day.

The background image shows a bright, sunny day in a park. In the foreground, a bride and her bridesmaid, both wearing white short-sleeved shirts and shorts, are walking away from the camera on a gravel path. The bride's shirt has the word "Bride" written on the back. To their left, another couple in white is walking further ahead. In the background, there is a large, ornate metal gazebo with a domed roof, surrounded by lush green trees and manicured hedges. A stone bridge with multiple arches spans a body of water in the distance. The sky is clear and blue.

"Thank you so so much for such a beautiful day! You were all so helpful and amazing. Our day was perfect and some guests even said it was the best wedding they had ever been to. All the staff were just fantastic and we are forever grateful to you all."

Lakeside Gazebo

If you are looking for an outdoor ceremony, our Lakeside Gazebo is the perfect setting next to the lake and within the exquisite formal gardens.

An indoor contingency will also be set up for inclement weather.

The Chapel

Next to the Hall lies our beautiful Georgian Chapel where a Blessing can be conducted after the civil ceremony by our local vicar.

With capacity for up to 75 guests, it's the perfect way to incorporate a religious element to your day.

The groom is wearing a dark blue suit with a light-colored vest and tie. They are walking towards the right side of the frame. In the background, there is a large, multi-story brick mansion with many windows and a balcony. To the left of the path, there are large green trees and a manicured lawn. The sky is overcast.

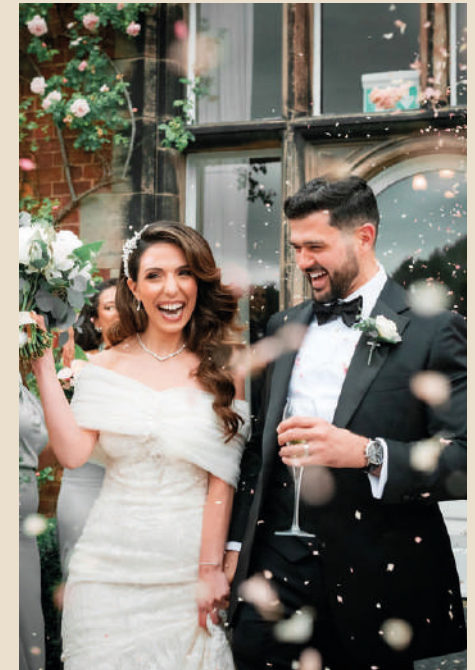

"Thank you so much for making our day so perfect and magical. We had the best day ever and loved every minute. You really did go above and beyond, I don't think we could have done it without you."
