INTRODUCTION

The Top Floor Restaurant & Terrace of 'SMITHS' of Smithfield, with its light and spacious décor and panoramic views of the City, is a stunning space for a wedding.

The Top Floor is renowned for the best quality meat, line caught fish and the finest seasonal produce whilst the wine list is proud to boast over 150 to choose from and cocktails are made just as you like them.

Our team is dedicated to ensuring your perfect day is just that and will guide you through the whole process from choosing delicious welcome canapés through to beautifully paired dessert wines adding lots of special touches along the way.

CEREMONIES

'SMITHS' Top Floor Restaurant is licenced to hold wedding ceremonies. Once the vows have been exchanged you can make your way to the 1st Floor which would be exclusively yours for the drinks reception while the Top Floor is prepared for the Wedding Breakfast.

We had an absolutely fantastic time thanks. We had a lot of comments about how great the staff were - I don't think our glasses were empty ever throughout the whole night!
Many thanks to you - you really made everything really easy for us, and we didn't have to think about a thing while we were there. Which meant we really got to enjoy every moment.
Looking forward to coming back again soon
(our anniversary at the latest!)
